Mercantile Summary.

THE new commercial firm of J. F. McLaughlin & Bro. is composed of Messrs. J. F. and Thos. McLaughlin.

MESSRS. H. N. Whitcomb and T. A. Knowlton of Coaticook, Que., are figuring on a large contract for poplar and basswood for the American market.

MAPLE syrup sells slowly at $1 per gallon in the Eastern Townships. Maple sugar is about ten cents per pound near Sherbrooke, and eggs are worth 13 to 14c.

APPLICATION is about to be made by Winnipeg for letters-patent incorporating the Canadian Parcel and Valuables Transmission Company, with a capital of $50,000 and headquarters at Winnipeg.

WE are informed that the Misses Lussier, dry goods and millinery dealers at Sorel have made an assignment in trust to Mr. A. A. Taillon bankers, &c. The liabilities are about $6,000 or $7,000 and the assets about $6,000.

THE shipments of sugar from the Moncton refinery during the three days and a half last week amounted to 1,847 barrels, or sufficient to fill nearly 20 car loads. The shipments were made to Toronto, St. John, and different points in Nova Scotia and Cape Breton.

THANKS to the farmers and workers there is no chance for a panic in the United States. "The country," says the Kansas City *Times*, "is too full of wheat, of produce, of money, of goods, to get up a genuine panic. Trade is a little dull, but there is no good cause for business to be panicky."

WE made an announcement last week as to the agency for Messrs. Clappertons and Messrs. Knox of Kilbirnie's well-known threads, which was perhaps obscure. The agency in Canada for these established firms has been for years in the hands of Mr. G. D. Ross, who used the business style of Wm. New & Co. The same gentleman still continues the same business, but now uses the name of G. D. Ross & Co.

WHAT is described as "the improved outlook in the leather trade," of which we are glad to learn, has induced the Fredericton Leather Co., to resume operations at their large tannery, which has been shut down since last fall. And the Moncton *Times* understands that work in the Gibson tannery, near Fredericton, has been resumed. The establishment was closed up by Mr. Gibson, who held a bill of sale on the stock and plant, and a mortgage on the buildings and land, and under his control they will continue in operation.
