**JOHN DRYDEN**, grocer, Westville N. S., has  
assigned to **W. Esson**, Halifax, for benefit of  
creditors. Liabilities are small.

We are assured by those entitled to speak  
with authority that **Mr. James Thomson** of this  
city, mentioned last week in connection with  
Bond St. church, has not been pressed for pay-  
ment by any of the parties connected with  
the church in question

**E. A. BAKER**, a dry goods dealer in Cornwall,  
who has been but a short time in business, has  
failed, and his stock amounting, to about \$1,000  
is advertised for sale by tender. **M. Clark**, a  
small grocer, of the same place, has absconded,  
and his stock &c., has been seized by the bailiff.

It is stated in a telegram from Montreal that  
the South-Eastern Railway has purchased the  
Lake Champlain and St. Lawrence Junction  
Railway from Stanbridge to St. Guillaume, a  
distance of 63 miles. The purchasers are to  
guarantee the \$372,000 of bonded debt on the  
road. This makes the line of the South-East-  
ern of 300 miles in length.

A CORRESPONDENT of the *Woodstock Sentinel  
Review* has made a discovery in mercantile  
ethics which may be laid to heart by many a  
dealer, it is this: "Some of our storekeepers,  
so he writes, are very civil and obliging to their  
customers, many of whom come four or five  
miles to deal with them. Civility costs nothing,  
but it will put dollars into a man's pocket."

**MR. A. D. GREEN**, a grocer doing a small  
business in Guelph, succeeded in getting the  
confidence of a number of our wholesale grocers.  
But when they brought a pressure to bear against  
him he confessed judgement in favor of his  
friends to the amount of \$600, and they have put  
the sheriff into possession. Outside creditors  
will now be compelled to take their chances on  
what is left.

**THE Sheriff** has taken possession of the prem-  
ises of Messrs. Sharp Bros, at Aylmer, O. This  
firm began the grocery retail business about 8  
months ago by purchasing the stock of one  
Raymond for \$1,870 paying the half in cash,  
which was "their little all." The balance of  
the purchase money was secured by notes, the  
last one falling due this month. They now find  
themselves unable to pay their indebtedness and  
the result is as above stated.
