BRIEFLETS.

Rev. Father P. Magnan, O.M.I., Superior at Qu'Appelle, came to town this week.

All Catholic Schools in Winnipeg and St. Boniface will re-open on Thursday Sept 1st.

Rev. Father Guillet, O.M.I., is gone to Duck Lake to preach the annual retreat to the Faithful Companions of Jesus.

Six Sisters of the order of Jesus and Mary arrived from Montreal last Thursday, to take charge of the new convent in St. Boniface, which is about completed.

Miss V. O'R.—Yes, Sir John T Gilbert, who died a couple of months ago, was the husband of Rosa Mulholland, the charming novelist, now the widowed Lady Gilbert.

Yesterday Rev. Father Paquin, S.J., who taught in St. Boniface College during 1885-7, replaced Rev. Father Chartier, S.J., as Rector of that college. Father Chartier left for Chelmsford, Ont., this morning.

Where is Ruthven? not the ex-Romish priest, for he never was a priest, but the ex-Presbyterian and Baptist minister, as well as the ex-convict; some say he skipped was he perhaps kidnapped by the crafty Catholics of Winnipeg?

The Oblates of M. I. finished their retreat last Wednesday morning. All speak very highly of the manner in which the Rev. Father Lacasse, O. M. I. conducted the retreat. The latter went to Prince Albert last Saturday to preach the retreat there.

Cardinal Lucido Maria Parochi, who is mentioned as one of the most probable candidates for the Papal Chair, was once a journalist. It is related of him that he could take the pith out of a hundred exchanges in an hour, and that, in spite of this rapid, diagonal perusal, nothing of any importance escaped him.

Monsignor Merry del Val is said to be one of the commissioners who will discuss the terms of peace between Spain and the United States. No better choice could have been made, and we may be sure that by him Spain's rights will be maintained to the full with all due deference to the victors.

COULD NOT DRESS ALONE

A Nova Scotian Farmer Tells of His Intense suffering From Rheumatism and How He Found Relief.

From the Bridgewater, N. S. Enterprise.

Such suffering as rheumatism causes the victim upon whom it fastens itself is almost unendurable. Only those who write under its pangs can imagine the joy of one who has been freed from its terrors. Mr. J. W. Folkenham, of New Elm, N. S., is one of those who have been released from pain, and who believes it his duty to let others know how a cure can be found. Mr. Folkenham is a farmer, and like all who follow this arduous but honorable calling is subject to much exposure. It was this exposure that brought on his trouble and caused him so much suffering before he was rid of it. He says:—"In the spring of 1897 I contracted rheumatism. Throughout the whole summer I suffered from it, and about the first of October it became so bad that I could not get out of the house. The pains were located in my hip and back, and what I suffered can hardly be expressed. I became so helpless I could not dress myself without aid. Eventually the trouble spread to my hands and arms, and at times these would lose all feeling and become useless. In November I began using Dr. Williams' Pink Pills, and after taking four boxes began to improve. After using six boxes the pains and soreness had all gone and I was able to do a hard day's work. I intend using a few more boxes more as a precautionary measure, and I would earnestly advise those suffering from this painful trouble to give Dr. Williams' Pink Pills a fair trial and be made well. Dr. Williams' Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. Avoid imitations by insisting that every box you purchase is enclosed in a wrapper bearing the full trade mark, Dr. Williams' Pink Pills for Pale People.

Education for a young Man or Woman or the active duties of life, is obtained at Winnipeg Business College and Short Hand Institute. Full particulars free.

When a baby smiles in its sleep it is the mother's fond belief that an angel is kissing it. No woman attains the supreme joy of womanhood until she knows the caressing touch of a first-born's fingers. No woman knows the supreme sorrow of womanhood until she sees her baby in the cold embrace of death.

Thousands of women daily achieve womanhood's supremest joy, only to meet, a few days or weeks or months later, its supremest sorrow. This is because so many babies are born into the world with the seeds of death already sown in their little bodies. If a woman would have healthy, robust children, strong and able to withstand the usual little illnesses of childhood, she must "look before she leaps."

If a woman will take the proper care of her health in a womanly way, during the period of prospective maternity, she may protect herself against much pain and suffering and possible death, and insure the health of her child. Dr. Pierce's Favorite Prescription is the greatest of all medicines for prospective mothers. It acts directly on the delicate and important organs that bear the burdens of maternity and makes them strong, healthy, vigorous and elastic. It allays inflammation, heals ulceration, soothes pain and tones the tortured nerves. It banishes the usual discomforts of the expectant period and makes baby's advent to this world easy and almost painless. It insures an ample supply of nourishment. It is the greatest known nerve tonic and invigorator for women. All good dealers sell it. Say "No" and stick to it when urged to accept a substitute said to be "just as good as Dr. Pierce's Favorite Prescription."

"I had miscarried twice and was so weak I could not stand on my feet," writes Mrs. Minnie Smith, P. M., of Lowell, Lane Co., Oregon. "I took two bottles of Dr. Pierce's Favorite Prescription and now have a healthy baby and am stronger than for twelve years."

The quick constipation cure—Doctor Pierce's Pleasant Pellets. Never gripe. Accept no substitutes or imitations.

A New Boarding-House For Small Boys.

The Sisters of Charity of St. Boniface, yielding to repeated requests from various quarters, have determined to undertake the management of a boarding-house for boys between the ages of six and twelve. Special halls will be set apart for them, where, under the care and supervision of the Grey Nuns, they will be prepared for their First Communion, while attending either the Preparatory Department of St. Boniface College or the classes of Provencher Academy. This establishment will be known as "Le Jardin de l'Enfance" (Kindergarten).

The results already attained in similar institutions of the Order give every reason to hope that this arrangement will fill a long felt want.

Board and lodging will cost six dollars a month. For the boys who attend Provencher Academy there will be an additional charge of fifty cents a month; and for those who take music lessons, \$3 a month.

Bedding, mending and washing will be extra. The Sisters are willing to attend to these extras on terms to be arranged with them. The boys who attend the Preparatory Department of St. Boniface College will have to pay the tuition fees of the College.

Applications should be made to

BUYING DRUGS

Is entirely a matter of confidence, as in no other business is sophistication easier; nor does any other avenue afford so ready a means of disposing of worthless articles. You can buy a pair of shoes for \$1 or \$10—it's entirely a matter of quality. There is as much difference in the quality of drugs as there is in shoes, except in purchasing one you can use your own judgment, in buying the other you are entirely dependent upon the honesty and judgment of the Druggist. In one case it is only a matter of comfort and appearance, and in the other frequently of LIFE or DEATH. You can always rely with the utmost confidence on the DRUGS and Medicines which you get at

DEAR SIR, Your Dr. Morse's Indian Root Pills are the best selling pills in the market. This is a fact. I speak with knowledge on the subject, as I have been dealing in various kinds of pills, and sell more of Morse's than any other.

If any one does not believe this I ask him to write any of my customers about it, or better still, I ask him to try a box and see if he will then use any other. I hope I may always have them. Yours gratefully, H. M. G. BARRY.
