

1912 CAIRNS!

A Store that has won a certain high place in the people's estimation, not because it is ten years old or in a new building but because its MERCHANDISE is right, its PRICES are right, its SERVICE is right.

And Particularly Because

it is a Store to which people naturally look for the NEW, the BETTER SORT of merchandise.

Everything to Wear.

Everything for the Home.

Everything to Eat.
