Consultations; Modifications of Agreement

1. In a spirit of close co-operation, the aeronautical authorities of the Contracting Parties shall consult each other from time to time with a view to ensuring the implementation of, and satisfactory compliance with, the provisions of this Agreement.
2. If either of the Contracting Parties considers it desirable to modify any provision of this Agreement, it may request consultations with the other Contracting Party. Such consultations (which may be prepared by discussions between aeronautical authorities), shall begin within a period of sixty (60) days of the date of request, unless both Contracting Parties agree to an extension of this period. Modifications so agreed shall be approved by each Contracting Party in accordance with its constitutional procedures. Any modification agreed pursuant to such consultations shall come into force when it has been confirmed by an exchange of diplomatic notes.
