

Mr. SPEAKER: I am in agreement with the honourable member for Winnipeg North Centre (Mr. Knowles) in the same way that I am in agreement with the honourable Member for Edmonton West (Mr. Lambert). Obviously Standing Order 72 always prevails. If there has been a previous reading in that sitting there cannot be a subsequent reading on the same day.

What we have before us is the report stage, not a reading stage. This is why we can have the adoption of the report stage and third reading the same day.

And debate arising on the motion of Mr. Olson, seconded by Mr. Laing (Vancouver South),—That Bill C-138, An Act to amend the Bretton Woods Agreements Act and the Currency, Mint and Exchange Fund Act, be now read a third time and do pass.
