

Supply—Agriculture

million in farm income in this country in the years referred to. They refer to the \$400 million drop in income in the three prairie provinces, and they say there was an increase in all the rest of Canada.

I want to put on the record the figures that I have here which were taken from the farm cash income and net income sheet published by the statistics branch of the Department of Trade and Commerce.

FARM CASH INCOME: RECEIPTS FROM SALE OF FARM PRODUCTS, 1936-1955

(million dollars)
