Dr. C.W., Parmelee,
Deputy Minister, Department of Public Instruction,
Quebec.

Dear Dr. Parmelee:-

The question of appointing a successor to Mr. MacOdrum under the Scottish Exchange scheme (National Committee for the Training of Teachers) is shortly to be decided.

I should be glad if you would make it known to junior male teachers of the Province that applications may now be sent in to the University.

Yours faithfully,

Wilfrid Bovey.
