

WALTER MOLSON
MONTREAL

March 24, 1938.

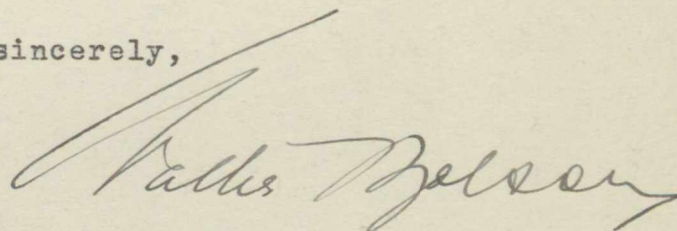

Personal.

Dear Doctor Douglas,

May I for the moment, while Herbert's immediate family are unable to deal with so many matters they want to do, express their recognition and great appreciation for the kindly tributes paid to him by the University and its members.

What the University meant to him is so well-known that it needs no emphasis, and I know that the family would like their full appreciation to be known for the honour and deference paid him by the University.

Yours very sincerely,

A handwritten signature in cursive script, reading "Walter Molson". The signature is written in dark ink and is positioned to the right of the typed name.
