Dear Sir Arthur Burns

I was most glad to hear
of your determination to stamp
out of McGill that modern
and serious evil of hazing.

It has always been a mystery
^{to me} why our college authorities have
allowed to grow up this thing
which is nothing else but a
negation of law and ordinary
personal rights, and the breeder
of lynchism and the Klux Klanism
and ^{all} that sort of thing. My congrat-
ulations & best wishes for success.

Very respectfully yours Wm. Wetzel
