It went from end to end, without either team having an advantage. The final games of the Eaton A. A. House League vill be played at the Arena on Tuesday evening, Feb. 18, Commencing at 7.45 p.m. The first game will be the funior final between the winners of the Basement v. Mail Order play-off, and the General Office, for the W. J. Bowman Cup. The second game will be the senior final between those old rivals, the Gen-eral Office and the Mail Order, for the R. Y. Eaton Trophy. A burlesque game between a team picked from the man-agers and the hockey executive will be played between games and should be a scream. These finals are an annual fix-ture, and the big store is expected to turn out in force.

The Renfrew and New Edinburgh hockey teams, which tied Friday night on the round of their home-and-home series, will play off tonight at the Arena in Ottawa.

The first Allan Cup game will be play-ed today, when Moose Jaw will tackle Winnipeg. The ice will be soft and the sticky going is expected to favor the challengers. Billy Kean will referee.

The Haileybury ladies' hockey team are anxious to play a game against the Uni-versity of Toronto ladies' team, and have challenged them to a game at the Arena here Saturday, March 15.

The Junior All Star-Orillia game Wed-nesday night at the Arena is stirring up considerable controversy, and Queen City fans are figuring out all kinds of freak wagers. Junior hockey in this town has always been good sport to watch, and from the selection already picked the game should be a tidy battle. Childs, as spare goaltender, will probably work the last half. As a midget with all kinds of nerve and a keen eye he is a wonder, and his exhibition is both amusing and clever
