OTTAWA PUT AWAY BY BLUE SHIRTS

Foyston and Cameron Score the Goals-Torontos Play Grand Hockey.

OTTAWA, Feb. 18 .- The Torontos com the Ottawas, 4 to 1, in the N.H.A. hockey game this evening. They scored the first goals fifteen seconds after the face-off while Goalkeeper Benedict was preparing for the start, and thus they got a lead, which the Ottawas did not tie up until within a few minutes before the end of the first session. Foyston slammed in the first for Toronto before any other man on the lee had rouched the puck, and Gerard tied it up for Ottawa on a pass from Broadbent.

man on the ice had touched the puck, and Gerard tied it up for Ottawa on a pass from Broadbent.

In the second period Cameron rushed and scored two for Torontos, while Ottawa failed to find the nets of the visitors. In the third, Foyston cinched the game for the blue shirts by making it four to one on a beautiful bit of play. The Ottawas had several chances, but the defence work of the Torontos, coupled with poor shooting on behalf of the Senators, three: their opportunities away. Jack Marshall brought three men back on the defence in the third, and Ottawa could not get within shooting distance enough to be dangerous. The result was a big disappointment, and over 7000 fans went home in sadness.

Toronto certainly deserved to win on the night's play, as their forwards outskated the Ottawas, while their defence blocked with far more success than did Shore and Merrill, who were not by any means as reliable as usual. Cameron and Foystos were the individual stars for the Torontos, each scoring two. Merrill and Gerard were the only Ottawa men who played up to form. Darragh, who was badly hurt in the Canadien game, was only on the ice a short time.

Play was clean in the first periods, but in the third it grew rough. McGiffin jumped into Duford just a minute after he had gone on, and was promptly sent away by Referee Power, who evidently scented trouble. Darragh struck Walker with his fits after having his stick knocked away, and he, too, was sent off. The Torontos roughed it back and drew total of \$32 in fines, while the Ottawa penalties only reached half that amount. Davidson had nine minors. Brennan and Power handled the hard game exceptionally well.

The result gives the Torontos an excellent chance for the champlonship as the

ally well.

The result gives the Torontos an excellent chance for the championship, as the Canadiens have yet to play in the capital and to face the blue shirts at Toronto,

They are wagering on the senior O.H.A. finals already. St. Michaels style of play has the call and several good sized bets were laid yesterday. A well-known hockey follower fild 200 to 100 on St. Michaels and several smaller bets at freak odds were wagered around the Arena, with T.R. & A.A. on the small end. Some went as far as to bet even money that St. Miques would have a six-goal margin at the end of the two games. St. Michaels will easily be two to one favorites when the teams take to the ice.

The visitors won the game on superior turn game of their third round at 1.20, and the Dutchmen hope to pull down the blue and white's lead of one goal and win out, if possible. It will be a grand tussle all the way, at that. The second game will see Varsity's Intercollegiate team stack up against St. Michaels, and, altho ft will be only an exhibition game, the rivalry between these teams is bound to force both of them to step a very lively clip. The green shirts have been forced a couple of times to extend themselves against the blue and white, and, with the Queen's Park boys on the bit these days, there should be little lacking in the battle that they will stage.

The sisitors won the game on superior play, Berlin being unable to break away.

Nothing, And It Was a Walkover.

MONTREAL. Feb. 18.—By defeating the Quebec team in their scheduled N.H. The flying 'Prenchmen never left any doubt in the minds of the six thousand who witnessed the game which was the better team, and altho they were weakened by the loss of the services of Newsy Lalonde and although their feet at almost all stages. It would be cruel to go into the details of the play, and it need only be said that the Wanderers had the play frontwards, backwards and every other way. The Ontario forwards never used their bodies through the full three periods, and the usually good defence of the locals lost heart and opened up time after time to let O. Cleghorn, Roberts and Hyland in on top of Hebert.

The three Montreal forwards were in grandsform and their pretty passing and speedy skating were the only things that made it at all possible to sit thru the slaughter. Ross and S. Cleghorn had the Ontario forwards shooting from far out for the entire game.
