CONNAUGHT HOME FORMALLY OPENED

H. R. H. Duke of Connaught Pays Tribute to Work of W. J. Gage.

TWO THOUSAND GUESTS

New Building a Handsome Three Storey Red Brick Structure.

Officers sent down his most ardent rays in welcome to the royal guest, and by the way of baptism for the newly-born Connaught Home for Nurses, near Weston, opened yesterday by His Royal Highness the Duke of Connaught.

Owing to a short delay, due to an uncertainty as to the best road to reach the Mecca of the occasion, and a condemned bridge, from which the duke and his suite had to retrace their route, the ceremonies, which were scheduled for 11.30 a.m., were somewhat delayed. Meantime the two thousand or so guests from the city and surrounding country were enjoying the delights of the lilac-lined Weston road, at the entrance of which the royal standard was flying out, or running themselves in the tiers of seats provided by the management.

The home, which is three storeys high, is of red brick, with stone facings, a handsome pillared portico giving it a picturesque finish. A platform draped in king's blue and festooned in red and white, was erected to the right of the building, the facade of which was decorated with many handsome strings.

The short wait was beguiled by the stirring music of the 48th Highlanders' band. By and by a turn of the instruments sent forth the national anthem, to the accompaniment of which His Royal Highness the Duke of Connaught and party ascended the platform.

Opening Ceremony.

Mr. W. J. Gage, founder of the National Sanatorium Association, was chairman of the ceremonies, which were introduced by an invocation by Rev. Prof. Law.

Hon. Mr. Hanna was unable to be present, but his place was taken by Sir Douglas Cameron, lieutenant-governor of Manitoba, as a guest of Ontario and a pioneer of the west, Sir Douglas expressed his pleasure and appreciation of the honor, although he felt he said somewhat embarrassed at being asked to take the place of Mr. Hanna. Referring to the presence of this royal highness, Sir Douglas Cameron said it was fitting to have one of the great sons of the motherland, one who had devoted so much time to the defence of the land, that institutions such as that of Weston should be safe.

Acting Mayor, Controller McCarthy spoke for the city. He expressed the appreciation of Toronto for the interest always taken in it by the Duke, and emphasized the appreciation of the city for the work of the Duke and his army of workers in the field of health, and the death rate from tuberculosis in Toronto, in a few years, from 60 per cent to 20 per cent.

so that now its mortality is the lowest in the world.

High Tribute.

In his address, the Governor-General referred to the enormous sum that had been collected to carry on the war against the white plague, and the generosity and sympathy of Canadians that had inspired it. He also added a high tribute to the magnificent work of Mr. Gage. Much had been done for the preservation of health during the three years of his stay in Canada. The health of the people is of great importance, for if Canada must prosper, its population must be healthy. Concluding, His Royal Highness expressed his thanks and pleasure that the new Home for Nurses had received his name.

The Duke rode away to the strains of God Save the King, and cheers from the by-standers. Afterwards the new building was inspected, the new quarters of the nurses were inspected, the neat rooms, separate sleeping apartments and large brightly furnished sitting-room coming in for many admiring comments.

TOWNSHIPS WILL OPPOSE C. N. R. LEVEL CROSSINGS

Claim That Subway is Needed on Scarborough and York Town-line.

The Townships of Scarborough and York are objecting to the proposed level crossing which the C.N.R. intend making on Daves road, the townline between Scarborough and York. They are of opinion that the project would be very dangerous on account of the heavy traffic at that point and because ravine banks obscure the view of the crossing. The township ask that the railway company build a subway. The matter will come up before the railway board at Ottawa on Tuesday morning at 10.30, and the townships will be represented by Frank Barber, York Township engineer, and Reeve Cornell of Scarborough.

WEST HILL—ANNIVERSARY SERVICES TOMORROW

Anniversary services will be held on Sunday, 31st inst., in St. Margaret's Church, Scarborough parish (stop 44, Kingston road), at 2 p.m. and 7 p.m. Rev. D. T. Owen, L.H., of Holy Trinity Church, Toronto, will preach at the afternoon service and Rev. J. S. Johnston, first vice-president of the Fraternities, will be present, representing their institution.

LOWE MY LIFE TO 'FRUIT-A-TIVES'

They Did Me More Good Than All Other Treatments Combined.

"PALMERSTON, Ont., June 20, 1913.—I really believe that I owe my life to 'Fruit-a-tives'. Ever since childhood I have been under the care of physicians and have been paying doctors' bills. I was so sick and worn out that people on the street often asked me if I thought I could get along without help. The same old stomach trouble and distressing headaches nearly drove me wild. Some time ago I got a box of 'Fruit-a-tives' and took them. They are doing more for you than I can say. 'Fruit-a-tives' are sold by all dealers at 50c a box, 5 for \$2.50, trial size 25c or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

"Today I am feeling fine, and a physician, meeting me on the street, noticed my improved appearance and asked me the reason. I replied, 'I am taking Fruit-a-tives'. He said, 'Well, if 'Fruit-a-tives' are making you look so well, go ahead and take them. They are doing more for you than I can say. 'Fruit-a-tives' are sold by all dealers at 50c a box, 5 for \$2.50, trial size 25c or sent on receipt of price by Fruit-a-tives Limited, Ottawa.
