HOME LOVERS

There are few people who do not appreciate pleasant home surroundings. But they are often deterred from improving their homes by the fact that it means a big cash outlay. The Home Lovers' Club meets this difficulty, as follows: By becoming a member you are enabled to choose and have sent home

immediately any house-furnishings from our magnificent stocks. For this you pay only our regular close cash prices, or whatever specially reduced prices prevail at the time, AND we defer payment over the year, so that only a small percentage of the cost has to be found at once.
