Cured of Shingles and Eczema

By Cuticura Soap and Ointment, Chest Raw, Bleeding and Itchy.

"I just want to say a good word for Cuticura Soap and Ointment. In November, 1909. I had what the doctors call shingles and eczema. My chest was raw and bleeding and itchy. I was that way all winter. It was not so bad in the summer. In September it got worse. I had the best doctors treating me, but did me no good, and I was all run down in health. In November, 1910, it got worse again. I sent to you for a sample cake of Cuticura Soap. You sent it to me and I got a box of Cuticura Ointment. I have used two boxes and on the third one it has cured me of shingles and eczema. I am delighted with them and do feel pleased to think I have something I have confidence in. Should anyone be suffering as I did, I hope that they will do as I did, and I am sure of the results. I am recommending them from experience." (Signed) J. H. Jarvis, 7 Ann St., Kingston, Ont., May 30, 1911.

Supt. Bishop has been scouring the vicinity to rent a class room.

Vesterday he reported to the property committee that he had given up the task, as no room was available. The only remedy was to acquire additional land and erect a temporary modern building.

This year the property committee has dealt approximately with building contracts of one million dollars. The solicitor reported that the board had no power to bring all the play-grounds of the city under a central control. The Playgrounds Association will be tendered co-operation as far as possible in combining the management.

PEACEFUL PEACE BANQUET President Taft Will Be There, But Roosevelt Will Not

NEW YORK, Dec. 29.—(Can. Press).

The strife that has characterized the preparations for the citizens peace banquet to-morrow night, when President Taft will be the guest of honor, subsided to-day into outward peace at least, with announcement of final arrangements for the function. Besides President Taft the speakers will be Andrew Carnegle, Oscar Straus, former United States Senator Charles A. Towne and Henry Clews, the banker. The president will speak first.

No reply has been received up to tonight to the official invitation sent former President Roosevelt, but it was said in behalf of the banquet committee that "he might drop in, and if he does he will be welcome." Col. Roosevelt said he would not attend.

President Taft, who during the first day of his visit to New York last week had only the municipal police protection of live bispecie men, will to-morrow night be accorted by 16 mounted men and nine officers in plain clothes.

Mayor Geary could not understand how the terms of the transfer could offend anyone. He pointed out that the deed stipulated that none of the property could be sold without the consent of the city, and that the commission were compelled by the act to turn over any surplus profits to the city treasurer.

SERIOUS OFFENCE.

Crown-Attorney Corley seems to regard citizenship in the United States as material offerable as the "record" of a man charged with crime. When Luther L. Banks and W. J. Anderson appeared in police court yestenday morning charged with theft of \$10 expense money paid them by Collier's Weekly, for which they had set out to work and then changed their allegiance to The Canadian Courier, offering to repay the money after a warrant had been issued, the imagistrate asked for their records and the learned crown attorney offered, "They are Yankees."

The regular monthly meeting of the York Pioneer and Historical Society will be held in their room, Canadian Institute, No. 198 College St., on Tuesday, Jan. 2, 1912. at 3 o'clock sharp. Five-minute addresses by new members. Daniel Lamb, Pres.; J. W. Millar, Sec. 1 Edgewood Ave.
