## QUICK UPSHOOT IN WHEAT DUE TO BALKAN NEWS

One Grain House Bought Fully a Million Bushels in Anticipation of Defeat of Turks--Higher Prices Failed to Hold.

CHICAGO, Oct. 25.—Wheat made a sudden upshoot in price today on account of active buying for a leading house, said to believe that the Turks were facing a gigantic defeat. No much of the grain was held, however, the market closing 1/4 to 1/2 up as compared with yesterday. Corn finished unchanged to 1/4 higher, oats a shade down to 1/4 to 1/2 advance and provisions unchanged to 1/2 up.

Before the buying flurry, the wheat market suffered depression due to expected large wheat crop in Balkans because of big harvests of wheat room at Duluth for Chicago.

Corn strengthened with wheat, and as a result of unfavorable husking returns from western states.

Bulls in oats received a little help from export business. There was not much demand from the domestic channels.

Heavy deliveries in land induced much selling in the provision pit, notwithstanding an advance at the yards.

Russian Crops Poor. Russia—Shipments have been disappointing and the quality generally is low for this season, and it is understood that much of the available surplus is of poor quality. White some of the extra choice heavy horses did not fetch fair value, yet the balance of the sale changed hands at good figures.

Second-hand city horses were plentiful and the demand good. Buyers must be hard to please if they cannot find a horse to suit them at either of the regular weekly sales here, as all classes of horses are represented in the sales.

Carriages and harnesses are also being picked up by those requiring them.

Buyers were: J. E. Neil, chestnut gelding, \$100; J. W. Jones, bay gelding, \$200; T. Kennedy, city bay gelding, \$200; J. Montgomery, city bay gelding, \$200; J. Davis, Oakville bay mare, \$100; G.
