# VARSITY SCHOOL FOR SECOND ROUND

Capture Prep. College Junior Group by Defeating St. Michael's College.

It was excellent hockey from the first bell to the last, S.M.C. were outwelghted, but they made up for this with speed and close checking. When U.T.S. checked the Irish front line into submission Stan Brown put them back into the fight with his thrilling rushes, In the first two periods this sterling player had non several occasions, but just missed putting it into the net.

In spite of the fact that U.T.S. got the only goals of the first two periods it was very even hockey. Both U.T.S. counters were scored by Rowell on lone rushes and from outside the defence. Each club worked inside the defence on several occasions, but good work in the net prevented the scores.

Stan Brown was the outstanding player.

A protest entered by the Seaforth Club against Mitchell will be heard by the O.H. A. sub-committee this afternoon at three o'clock at The Evening Telegram office. Harrington A. Tuer of Mitchell Sis said to be over age. This is denied by the Mitchell Club, which will defend the protest.

The Aura Lee O.H.A. funior team left yesterday morning for Woodstock, where they played last night. Friday night they will meet the Union Jacks of Kitchener. and Saturday night they will return on Sunday, and expect to make a P. J. week.

Crescents and Dentals to the other of Sand Provided the Sand Provid

vented the scores.

Stan Brown was the outstanding player, the rushed time after time. The whole U.T.S. line checked well, and Rowell was the best rushes for the winners. Sullivan had the range all night and he bothered O'Brien with hard shots from the wing.

The first period provided excellent hockey. They went from end to end and the youngsters checked hard. They slipped in at both ends, but could ret the tallies. AMERICAN ASSOCIATION WILL ALSO INCREASE.

Chicago, Feb. 14.—Club owners of the American Association probably will follow the example of the major leagues in increasing the prices of admission, President Hickey said tonight. The question will be decided at the schedule meeting to be held in Milwaukee on Feb. 28, "It will be necessary to take some action to avoid handling pennies in meeting the government war tax." Hickey said. "It will be impossible to serve the public in making odd-penny change. I think a majority of the club-owners will vote in favor of increasing the prices."

manager, Robert Carter; trainer, W. Johnson. Mr. W. Scarborough, the retiling president, was elected an honorary vice-president. A very pleasant evening was brought to a close with the presentation of medals to the players. It was decided to hold a euchre and dance in Playter's Hall on March 13. The committee will please meet at 9 Fielding avenue this Saturday evening at 8 o'clock. Members take notice.

All of last season's players are expected to attend the annual meeting and election of officers of the Dunlop Rubber Football Club, to be held in the company's dining hall, Booth avenue, to night. The team, which won the T. and D. League championship last season, will be presented with their medals. The prospects for the coming season are bright, as nearly all last season's players are available, and several well-known players have also expressed a desire to play with the team.
