Because of a squabble between keepers of western pool rooms, some of whom object to a new man named Shannon getting into the game, the two New Orleans racing associations are again on the verge of a quarrel, each track having its favorite. The pool revenues at New Orleans are worth \$500 a day to the tracks, or \$30,000 at each for the season of 60 days. It is said that the newcomer obtained the information promptly, despite the interference. A leak is suspected, hence a gathering the other day at New Orleans of several big men connected with City Park. It is thought that so much is involved that the matter will so much is involved that the matter will be patched up.

MR. KELLY AND THE "PRESENT."

At Christmas time it is pertinent to remark that there is no time like the "present." Just now is the real good time to get in your Christmas supply of ale and liquors, either for yourself or as a present W. J. Kelly, 749 Queen street West, will cater successfully to your wants. Just phone him to Park 2286. The whole of the city is promptly covered, and the farther away the order is the better it looks for business

At the request of a number of rate-payers, who waited on him yesterday, E. Strachan Cox consented to become an aldermanic candidate in Ward 2.
