There is another point which puzzles Mayor Shaw. He learns from good authority that the Norther Pump Co. are to furnish the hydraulic power plant for both "Otis" and the "Portland" Co. Yet Otis includes in their tender \$14,250 for power plant for five elevators, while "Portland" tasks but \$12,750 on the same specifications. Where was the \$1500 difference? Have Northeys two prices, or is "Otis" trying to make a clean \$1500 out of the city? These have a big interrogation mark impressed on the Mayor's mind.
