PROCEEDINGS BEGUN TO UNSEAT COUNCIL

Thirteen Members Who Are Alleged to Be Not Qualified for Office.

The quo warranto proceedings to unseat Mayor Oliver, Controllers Harrison, Hocken and Spence, and Aldermen J. J. Graham, Vaughan, Foster, Brechin, Bengough, Hales, Adams, Keeler and R. H. Graham, were set in motion yesterday by Miller, Ferguson & Hughes, when a fiat was secured from the master-in-chambers which allows for the filing of the necessary notice of motion.

It is claimed that the members named did not file the required property qualifications, are not British subjects (this aimed more particularly at Mayor Oliver) and have neglected to file declarations of qualification.

George Milligan is the applicant, and he furnishes the names of those who he believes to be responsible for the costs of the men attached should his application fail.

COUNCIL HAVE DECIDED

Continued From Page 1.

motion involving an appeal to the legislature. If the board of control were going to arrogate such powers to itself, the committee might as well be abolished, Ald. Keeler, the chairman, explained, however, that he was willing to waive the right in order to save delay.

"The board of control may run Ald. Keeler, but it can't run other members of the council," interjected Ald. McMurrich.

Ald. Bengough, chairman of the meeting, called for a truce while he read a letter from the city solicitor.

"Any legislation of this kind would have to be a government measure, and could not be introduced by a private member as an amendment to the Liquor License Act," wrote Mr. Chisholm.

"The proper procedure, therefore, would be for the board of control to wait upon the members of the government and ask them to have this legislation introduced."

Controller Spence thought this didn't alter the situation, and intimated that the city solicitor had no business to thrust forward his opinion. License fees were low, and especially so in view of the fact that the number was to be reduced.

Ald. McMurrich asked how the cause of amendment was to be benefited if the amount of liquor was not to be reduced. The controller replied that the business of the remaining hotels might be increased by 10 per cent.

Ald. McMurrich said the government was very unlikely to consider an application of this kind by the city, and that, even if the fees were increased, there was no chance of the city getting the benefit, as the government might otherwise use the funds.

Controller Spence's motion to refer the recommendation back to the legislature was defeated on the following vote:

For—Controller Ward, Aldermen Lytle, McBride, McGhie, McMurrich, Sanderson, Stewart, Whytock—5.

Against—Controllers Hocken, Harrison, Spence and Ward, Aldermen Chisholm, Foster, Hales, Bengough, Brechin, Vaughan, Lytle, Keeler, R. H. Graham, Adams, Hales, Keeler and Vaughan—10.

On Ald. Church's motion to give the administration of licenses over to government control the vote was:

For—Aldermen Church, Whytock, McMurrich, Sanderson, Stewart—4.

Against—Controllers Hocken, Harrison, Spence and Ward, Aldermen Chisholm, Foster, Hales, Bengough, Brechin, Vaughan, Lytle, Keeler, R. H. Graham, Adams, Hales, Keeler and Vaughan—11.

Ald. McMurrich objected to the mayor's action in appointing off-hand an assistant city relief officer Alfred Coyell, one of his nominators and supporters.

"How many men could you appoint if you saw fit to do so?" he asked. "Just as many as are required," he retorted the mayor, and here the matter ended.

The legislature will be asked to give the city power to issue debentures to meet the cost of bridges, grading, etc., and purchase or exchange of property.

necessary for the car line to the eastern entrance of the exhibition. Controller Spence's eloquence in urging the necessity of the car line to relieve overcrowding of the fair was damned by Ald. McMurrich.

"You have been in the long that you're imbued with that spirit," interposed the alderman, who later added, "I know that when you were in council before you were one of the greatest champions of the street railway."

Controller Hocken, Ald. McMurrich and Ald. Foster alone opposed the application.

Naval Committee Rejected President's Recommendation.

WASHINGTON, Feb. 10.—By a vote of 13 to 5, one member absent and not voting, the house committee on naval affairs to-day rejected President Roosevelt's urgent recommendation that congress at this session authorize the building of four battleships at a total cost of \$38,000,000, and by a unanimous vote there was included in the navy appropriations bill an authorization for the construction of two, to cost \$9,500,000 each, and to be of the Delaware type.

To Suffer From Headaches Makes Life Miserable.

It takes a person that has had and is subject to headaches to describe the suffering which attends them.

The majority of cases are caused by constipation and dyspepsia. The dull throbbing, the intense pain, sometimes in one part, sometimes in another, and then over the whole head, varying in its severity by the cause which brings it on, purely indicates that there is something the matter with the stomach or bowels. To the fact that Burdock Blood Bitters reaches every part of the system is due its success in relieving and permanently curing headache. It has proven a specific for the malady in all its forms.

Mr. Wm. R. Gilchrist, New Mills, N. B., writes: "I was troubled for years with constipation and headaches, but after using four bottles of Burdock Blood Bitters I am completely cured."

Mr. John T. Kidner, Red Deer, Alta., writes: "I was troubled for several years with headache. I tried a number of remedies but they did me no good. I tried a bottle of Burdock Blood Bitters and I cured me completely."
