

How the Hewsons Sell

Last Saturday's trade in Hewson's for Boys was a record-breaker. We are sure proud of our showing this season. When we first started in to sell Hewsons for boys we had to introduce them to our customers, but now our customers. Ask for Hewsons. You can't keep a good thing down any more than you can keep a duck under water. Hewson Tweeds are on top to stay for the best in boys' clothes. Prices moderate—\$6.50 at \$12.

HAMILTON CITY COUNCIL HAS A BUSY SESSION

Miss Lewis Determined to See Her Hospital Scheme to a Successful Issue-City News.

HAMILTON, March 30 .- (Special.)-

The city council spent most of a long ession this evening in a discussion as to whether the city should remain behind Miss Lewis' Sick Children's Hos- Confessed Murder of "Billy" Brown pital scheme or not. The up-shot of it was that Mayor Stewart and John and Left Letter With Advice Billings, the trustees appointed by the council to take care of the money, were left to decide themselves whether they beased the mayor. Mr. Billings withdrew. Miss Lewis stated that she would carry the scheme thru if she had to fight a regiment of soldiers, and would get some union men to act as trustees. By the casting vote of the mayor it was decided to advertise for a city engineer, the present city engineer, E. G. Barrow, to be retained in a subordinate capacity. The report of the conference committee, recommending that negotiations with the Street Railway Company be continued, and that a cut in the city's rate of percentage on all increases be 5 per cent, could not be dealt with because all but a bare quorum of the council run out to escape voting.

The moved and without showing the faintest moved and without showing the faintest moved and without showing the faintest sign of emotion of any kind, Chester Gillette was put to death in Auburn Prison this morning. The electrocution was the most successful that ever took place in the local prison. But one contact was all that was required to carry, the mandate of the law into effect, and when that was over the murder of Grace, or "Billy," Brown had been avenged and the slayer had paid the penalty, giving a life for a life.

Gillette made a confession to his spiritual adviser. This much is contained in a statement that the clergyman gave

a warm passage, the alderman inter-rupting the mayor until his worship "Because threatened to have him removed. On a close vote it was decided to purchase a trenching machine at a cost of \$4000 for the building of the annex sewer. Ald. Peregrine and Farrar questioned the right of the fuel committee to order a "Cordello Herrick." ted with the highest grade ment, and simply wish to say that no legal mistake was made in his electrocution.
