

WILLIAMS WINS THREE RACES AT DUFFERIN

Autumn Flower, Rae Up, Takes the Fourth Run—Planet Set Back for Crowding.

Five harness heats and four running races were decided yesterday at Dufferin Park. The weather was fine and cool and the attendance about the same as Tuesday.

Baby Teeth in the first harness event, pulling up in straight heats, and Latona in the second run were the only favorites to land. Planet was set back in the first heat of the second driving contest for crowding Prairie Oyster into Hazel Belle, he causing the latter's sulky to lose a wheel and the horse was away off, was set back last. He took the second nicely, but broke in the third and had to pull up.

Jockey Williams' success was the feature of the day. The little mulatto boy had the leg up and was first each time, giving the only first to Tommy Rae on Autumn Flower.

King Thistle won all round, romping. Latona took the half mile easy, Arvlight leading London for the pace. Dorothy Webb was again a disappointment.

Renaissance caught Fantasia a jump from the wire. These two were out in front alone. McCardie got back in the saddle and didn't do any too well on the favorite, Hasty.

Autumn Flower was best in the last, Black Hawk just as easily second. The harness races resulted:

Only 200 Real Ball Players

Those who attended the recent dinner in New York, given in honor of the Giants by Joseph M. Galles, owner of the company playing in the Herald Square Theatre, declare that the tribute to the national game by Fred Tenney, the Giants' stalwart first baseman, should go down as one of the classics of the sport. The dinner was attended by the entire New York team, and many men prominent in theatrical business and political circles.

Tenney's ease of diction surprised many of his hearers, who did not remember that the star first-baseman was graduated with honors from Brown University before he became a professional baseball player.

"There is no reason why any man should be ashamed to be a professional baseball player," said the famous first baseman. "Of all sports there is none cleaner, manly or fairer than the game, and the man who becomes a professional player does not need to lose his self-respect because he left the amateur ranks."

There are thousands of doctors, dentists and other professional men in this country, but there are only about 200 men who have reached the first rank among ball players. To gain a place among the whole team that next year's accomplishment of an honorable life's ambition.

In the determined hunt for new material of the kind capable of making fast teams our managers have scoured all the cities and country, and have also gone down into the depths of the coal mines for men worth while.
