Dr. Cook has already written one hundred thousand words on his book. He accomplished much of this work while living for three months in a hut on Jones Sound. His paper became exhausted, but he had a supply of pencils and he wrote mostly in microscopic characters between the lines of books containing his diary. MRS. JOSEPH MATCHETT, Huntsville. Ont., writes; "It gives me much pleasure to write you of the wonderful benefit L have found in your medicine. Last summer it saved the lives of my three little ones. They all took the summer complaint and were very sick with it. The baby would take fits, and after trying many remedies, which were of ne use. I suggested we should try Dr. Fewler's Extract of Wild Strawberry. After giving them one bottle I found a great change, and now my little ones are as well as ever. We have never been without it since, and I have recommended it to my friends."

Mrs. S. A. Harrison, Napanee, Ont., writes: "I take great pleasure to send you this testimonial of what Dr. Fowler's Extract of Wild Strawberry has dene in our family. My daughter's little girl, three years old, took summer complaint and was nearly dead. After all other remedies failed I thought of your remedy. The first dose gave relief and the third cured her. My son had diarrhoea and a few doses stopped it right away. I advise all methers to have a bottle of 'Dr. Fowler's on hand all the time.
