Note and Comment

The fall meeting of the Brooklyn Jockey Club, which has been remarkably successful, came to an end at Gravesend Bay yesterday, and to-day the scene will be changed to the broad stretches at Belmont Park, where the season opened on May 13. Since that time, according to eastern advices, there has been a decided change for the better, and the experiment of conducting racing without organized bookmaking was not made in vain. Unless all signs fail, the meeting which begins to-day will prove far more interesting and attractive than the one in the spring, for the reason that there are more horses in training and ready to go to the post, and for the reason also that there is less uncertainty as to the future of the sport. The Westchester Racing Association has arranged an attractive program for a meeting of twelve days. Hamilton also opens this afternoon for eleven days.

Last Thursday we announced that the O. J. C. Cup race would result in a victory of a lightweight, and so it turned out. The query of an outside subscriber as to the name of the horse did not reach this office till yesterday, making the question easy of reply, viz., Azo.

Bobby Kerr, the Olympic champion, makes out a perfect case against Lukeman of Montreal, who fluked on Saturday's Hamilton meet. It was charged that the eastern man was only treating Kerr to a dose of his own medicine, as the latter scratched at the games here, which was not the case, as the Hamilton man was never regularly entered. As Bobby points out, he has run Lukeman often enough in the east to at least warrant a return engagement in the champion's own town.

The annual fall polo tournament of the Toronto Hunt Club opens to-day on the splendidly-prepared field at Woodbine Park, with Buffalo v. Montreal as the attraction. The game is most interesting, and has only to be seen to be appreciated. There are no complex rules to mystify spectators, and anyone can understand the game, which is simply to get the ball between the goal posts by striking with the mallet while seated on your pony.

It is announced that Manager Ganzel presented the players of the Toronto team with hats apiece for defeating Newark the two games that decided the pennant. The donation had, of course, nothing to do with the walloping they took the three last games of the season at Diamond Park. The Hustlers might have kept the hats, walloped Providence, and boosted us up to third place.

In Philadelphia they were counting on New York taking a game or so from Detroit, forgetting that Cleveland might cut loose on the Athletics. The unexpected happened, and the two fighters for the American League pennant lost on Monday. This will count in the Tigers' favor, for they still have that 2½ games lead, with the finish closer than ever.

The Detroits are having a holiday to-day in New York, going to-morrow over to Boston for a red-hot series with Bill Carrigan and the other Red Sox. After Friday's game in Boston the Tigers must catch a train that will land them in Detroit for a battle with Chicago on Saturday afternoon, to be followed by the last scheduled game of the season played by them in the Windy City. Meanwhile the Philadelphia Americans will play all of their remaining games at home, Cleveland, Chicago and Washington being their opponents.

Junior—Bracebridge v. Brampton, at Bradford, Wednesday, Fergus meets the winner in a sudden death game, place and date to be decided later.

Juvenile—Brampton v. Newmarket, at Scarboro Beach to-day in a sudden-death game; the winner to meet Hespeler in the finals; late and place to be decided later.

Polo Tourney Opens To-Day.

The Toronto Hunt polo tournament opens to-day at Woodbine Park. The names of the teams to meet in the first game are as follows:

Buffalo—Back, Glenny; 3, Patterson; 2, Rumsey; 1, Curtis.

Matches will be played for a valuable cup given by the Canadian National Exhibition Association. The cup is to be retained in Toronto by the Hunt Club, but miniature cups are to be given to the winning team.

No Better Than Fourth for Leafs Split Even With Baltimore

Had First Game on Ice When Pfeffer Blew and Baltimore Scored Six Runs in Ninth — Rain at Providence.

BALTIMORE, Sept. 27.—(Special.)—Toronto lost their chance for third place to-day when they divided a double-header with the Orioles, the Canucks tossing away the first game, which was won by Baltimore by a score of 10 to 9, the locals scoring six runs in the last innings off Messrs. Pfeffer and Newton. Toronto were always ahead in the second tussle, winning by 4 to 3, but it was a close shave as Doc Newton's wildness had his team mates guessing.

In the first game Baltimore scored one in the first, but Toronto came back with three in the third and four in the fourth and it looked all over but the cheering, altho the locals scored two in the fifth and one in the seventh, while the Leafs tallied one in the sixth and another in the seventh, making the score 9 to 4, when the Orioles went to bat in the ninth. Lewis started with a single and Hall got a life on Mahling's fumble. Poland singled, but Schmidt forced Lewis at the plate. Cross was passed, forcing home Hall, while Byers singled, scoring Poland and Schmidt. Strang batted for Bills and singled, scoring Cross. Slagle was passed, filling the sacks and here Newton relieved Pfeffer. Hearne batted for Clark and singled, sending home Jackson with the tieing run, while Lewis, batting for the second time, was given four balls, scoring Strang with the winning run. Score:

Baseball Gossip.

New York Americans have been accused of tipping off signs by all of the American League teams, but it remained for Trainer Tuthill of the Detroit Tigers to discover the fact Saturday. Tuthill, while the rouble-header was on Saturday, climbed over the back fence and there between the outside wall and the sign board was a set of instruments. The sign board was an advertisement for Young's hats and on the crossbar of the word H was an opening that permitted the switching of light and dark discs, indicating fast or curve balls.

The averages of the Eastern League players only show four of the regulars hitting over the .300 mark, Fred Mitchell being the leader with .333, followed by Grimshaw of Toronto, with .311, then comes Ganzel of Rochester with .306 and Osborne of the same club with .304.

National League Scores.

At Pittsburg—Pittsburg lost an opportunity to clinch the National League pennant to-day when Leifield weakened in the ninth innings of the second game with New York, the visitors scoring five runs and winning by a score of 8 to 1, the locals winning the first game by a score of 6 to 1. Pittsburg needs but one more victory to make them the 1909 champions of the National League. Opportune hits off Crandall in the initial game won for Pittsburg. Adams was strong at all times.

CORYELL IS ARGOS' CAPTAIN

Elected After Practice Last Night—Rugby Gossip.

After the Argonaut practice last night Coryell, the ex-Varsity quarterback, was elected captain of the team for the coming season. Coryell will take charge of the team to-night, and with his experience in the Intercollegiate should prove a valuable man to the scullers.

The Argos had two teams working out last night for a good hour's practice and the way the men go at it, the team will be in the best of shape when the season opens. Rogers, a McGill man, turned out for the first time, while Ryan, the Ottawa College player, will be out to-night. Van Bushkirk, the American college player, who played three years ago for the Victorias, is showing up well for the scullers, his tackling being deadly.

George Barber should fit in well at outside wing for the Argos. He has speed to burn and is a good tackle.

Hamilton Tigers will feel the loss of Don Lyon, their fast outside wing man, who had his wrist broken Saturday. Lyon was not a showy player, but was always on the ball and had no peer at his position in the business.

The Argos are after Jack Lash to coach them. Jack should prove a good man as he knows the game from a to z.

Argos have Mert Kent, Norcross, Corkery, Levack, Murphy, Tommy Hay and Capreol to pick half back line from, while for the quarter Coryell will get the position, with Reid, Newport and Parsons to fall back upon. In the scrimmage there is Banty Russell, Pud Kent, Phil Boyd, Baycroft, Hugh Brown and McIntyre, while for the wings, there is Bargette, Sinclair, Jeff Taylor, D. Taylor, Barber, Ryan, Rogers, VanBuskirk, Grant, Art Kent, Johnson, Livingstone and numerous others.

Harold Wagner of last year's Parkdale team is sick with typhoid fever at North Bay.

Vernon Crawford, last year's full back for Queens, is out of the game for the season.

Every player of the Parkdale team is requested out to practice each night this week for their game with the Toronto Canoe Club Saturday.

MEET HERE FRIDAY NIGHT

HAMILTON, Sept. 27.—(Special.)—At the request of the Ottawa Rugby Club, a meeting of the board of governors of the Interprovincial Rugby Union has been called for Friday night at Torinto, when the question of the reinstatement of Jack Ryan and other Ottawa players will be dealt with.

The O.R.F.U. Interprovincial joint meeting scheduled to meet Tuesday evening will be postponed until Friday evening, as the easterners representatives do not want to make more than one trip to Toronto and it is felt that the same evening will do for both meetings.

Giants and Boston Red Sox.

NEW YORK, Sept. 27.—A post-season series of games between the Boston Americans and New York Nationals will be held directly after the close of the season, on Oct. 8 and 9, it was announced to-day. The first two games will be played here on Oct. 8, the next two in Boston on Oct. 11 and 12. The date and place for the 5th game, if it is necessary, will be decided later. Mathewson, the star of the local Nationals, will probably pitch in three of the games.

Taylor's Checker Club.

The J. & J. Taylor Safe Works Checker Club have reorganized for the season, with the following officers:

Hon. president—H. T. West.

President—H. S. Webb.

Secretary and Captain—J. J. McGlone.

The club are rounding into shape for their winter's campaign, which they expect will be a busy one. This is their second year, they having been fairly successful last year. The team solicits challenges from any shop team in Toronto, with eight or more men a side, or, still better would be the forming of a manufacturers' league for a series of indoor games this winter. The club would be pleased to hear from other shops with this object in view. Address all communications to the secretary.

Amateur Baseball.

A baseball game was played Saturday afternoon on Carlaw-avenue grounds between the A. Matthews Company and Phillips Manufacturing Company. The game was called at the end of the fifth innings on account of rain. Score 3 to 2 in favor of Phillips.

What was to have been the deciding contest in the Beaches Senior League between Kenilworth and Royal Canadians on Saturday afternoon came to an abrupt end at the end of the fourth innings, when Umpire Barnes had to call the game on account of rain, to the regret of the 600 odd fans present, as it bid fair to be the most exciting match of the season apart from deciding the championship. The score was then 5 to 4 in favor of the Royals. The teams come together again at 3 o'clock next Saturday on the regular grounds in the Kew Gardens. Umpire Barnes will again arbitrate.

Football at Mimico.

A good game of football on the Asylum grounds between Eglinton and Mimico Asylum resulted in a win for the home team by 1 to 0. The asylum team had hard luck in scoring, several shots going over the crossbar by inches. The Eglinton goalkeeper did great work, being called on repeatedly to save, which he did effectively. Jimmy Quinn scored the goal by a nice pass from Burmby on the left wing. Fatty Hepton played a good game at back, using his weight effectively. The asylum team were: A. Gillespie, E. Hawkins, A. Hepton, A. Chamberlain, J. Stevenson, P. Donaldson, F. Burmby, J. Porteous, J. Quinn, A. Heaps, F. Chamberlain. Referee M. Shannon. Teams wishing games should apply to C. Clarkson, secretary.

Pigeon Racing.

The Dominion Messenger Pigeon Association wound up its young bird schedule on Saturday with a race from Charlotte, Mich., a distance of 300 miles, air line. Owing to the poor returns from the 200-mile race, the only members who had birds in condition to ship were Messrs. R. Parker and B. Vernon, who shipped one pigeon each. The two pigeons were released at 6 a.m., Michigan time, by Mr. G. Foote of the American Express Co., at Charlotte and Mr. Parker's bird arrived home shortly after 4.30 p.m., beating Mr. Vernon's bird by over an hour. The following is the exact time the distance was flown in:

	H.	M.	S.
R. Parker's Jersey	9	43	15
B. Vernon's Bayardo	10	45	42

The 200-mile race of the week before proved to be a disaster, as no birds homed in the time limit of one day, and, owing to the continued bad weather not more than six birds reached home at all. In this race Mr. Vernon found his bird in the loft at 5.30 p.m. the second day, and Mr. Parker's came in shortly after at 7 a.m.

Harness Horsemen Play Baseball Game Torontos Win 16-15

The much-talked-of baseball match between the executive committees of the Toronto and Dufferin Driving Clubs took place yesterday afternoon at Diamond Park. The game was a good one, and the play by both teams showed that the drivers and owners of the trotters and pacers had also some class about them on the ball field. The teams lined up the following players:

Bedingfield, the treasurer of the D. D. C., was on the firing line, and pitched a great game. Lane, the backstop, did nice work for both teams. N. Woods took care of first, with his father, Con., holding down second. Secretary McCullough was at short, with R. Scott looking after third. President O'Halloran, Charlie Dennis and John Hutson played in the outfield. Dennis played a star game, pulling down four hits which looked like homers for the Torontos.

In the line-up of the T. D. C. were Secretary Charlie Snow doing the slab-work, John Lock holding down first base in the absence of the president, S. McBride, thru sickness; Dr. Black was on second, Griffith at short, Pete Callen looking after third, with R. McBride, J. Holman and Alex. Levack taking care of the outfield.

The game was hotly contested all the way. The teams agreed to play seven innings. After the first half of the seventh the Torontos were five runs to the good, when the Dufferins went in to make six to win. They secured four. With two men out and the bases full, O'Halloran came to bat to bring in the winning runs, but he failed to connect, being struck out, leaving the score 16 to 15 in favor of the Toronto Driving Club.

The umpire did splendid work, there being no occasion for any kicking. The score:

Toronto D. C.	2	5	3	1	0	3	2	—	16	
Dufferin D. C.	2	1	4	0	2	2	4	—	15	

Batteries—C. Snow and Lane; G. Bedingfield and Lane.

MURPHY DRIVES TWO WINNERS AT COLUMBUS

COLUMBUS, O., Sept. 27.—With weather unfit for fast time, Inner Guard and Alice Roosevelt won on the Grand Circuit this afternoon. Inner Guard's victory was an easy one, altho Marc N. did get the final heat in new record time, for her. The finish was close between the Geers' mare and Inner Guard. Judges, however, set Inner Guard back to last position as a penalty for the offence of changing from the pole to middle track in the stretch.

Alice Roosevelt, like Inner Guard, was a favorite for the 2.13 trot. Dulce Jay beat them all in the first two heats, and was thought to have the race won. In the third heat, while scoring, he broke just after the start. He had to hurry to escape being distanced, and did no good in either the fourth or the fifth heat.

Iris was not bothered in making the 2.18 pace a straight-heat affair. Summaries:

BOBBY KERR WRITES LUKEMAN SCRATCHED AND NO EXPLANATION

Sporting Editor World: In reference to the statement in your Sunday World that Frank Lukeman, the Montreal sprinter, sent his regrets to the committee in charge of the Tiger Athletic Club games, I wish to state that this is untrue. Lukeman has not as yet ever sent word to one of the committee explaining his non-appearance.

As to the remark that Lukeman would not appear in Hamilton because I did not run him in Montreal or Toronto; I never promised any person that I would go to Montreal, or that I would run against Lukeman in Toronto.

However, these questions were never taken into consideration by Lukeman, who called me up on the long-distance phone from Montreal on Sept. 15, and promised me faithfully he would appear in Hamilton on the 25th. At this time, I may say that he had not, according to his own statement, promised to run in Toronto on the 22nd. I did not hear anything to the contrary that he would not come until Thursday morning, the 23rd, when I was told by a gentleman who was in Toronto, and saw Lukeman on the 22nd, that it was doubtful if Lukeman would come to Hamilton. I immediately called him upon the long-distance phone, and he gave me to understand that he was waiting for word from Montreal regarding business, which was the only thing that stood in his way of coming. However, he was to let me know the same day whether or not he would come. I am still waiting for the answer.

Lukeman and I have competed together in the following places: Toronto, October, 1904; Montreal, September, 1905; Ottawa, September, 1905; Montreal, Sept. 22, 1906; Montreal, June 6, 1908.

You will readily see that I have competed with him on his own training grounds at least three different times.

Is it not up to him for at least once to favor a Hamilton audience by his presence?

Robt. Kerr.

Vice-President Alleges Persecution By City, But Mayor Oliver Repudiates Charge.

A letter from E. H. Fitzhugh, third vice-president of the Grand Trunk, reiterating the assertion that the railway packed its grip and left East Toronto because of the alleged unrelenting pursuit by Property Commissioner Harris, was read at the meeting of the city council yesterday.

The document was produced by the mayor, when Ald. McMillin asked if the city would help the movement in East Toronto for a suburban service by the Grand Trunk, which would enable the men transferred to Bellevilla and Mimico to retain their homes in East Toronto.

The mayor explained that he had written the company asking for an interview with Mr. Fitzhugh, and declared that the latter's contention was "made out of whole cloth," as no complaint as to the smoke nuisance had ever been made in East
