VARSITY RUGBY ANNUAL.

Casey Baldwin Again Captain—Milock Games Will Start Earlier.

The annual meeting of the University of Toronto Rugby Footpall Club was held at the gymnasium Tuesday afternoon. There was a good attendance of members present. The reports of last season's work were presented, and a favorable balance on the right side was shown. In the absence of Howard Beatty, Dr. W. G. Wood occupied the chair. It was decided by the meeting to start the Mulock Cup games earlier in the season. Up till now this interesting series of matches has been started on the completion on the league matches, and usually has been finished in the snow. But in the future, the Mulock Cup matches will be got under way earlier, and any good material developed in these games can be at once transplanted to the college series. The Mulock Cup games in the future will thus develop material for the current season and not for the Tollowing season. This was a good move.

The following officers were elected: Honpresident, Dr. McCurdy; hon.vice.president. Harold-Beatty; president, L. W. Morden; vice-president, Ned Boyd; secretary treasurer. Casey Baldwin.

The manager of the first team will be elected by the new executive at their first meeting, to be held shortly. Casey Baldwin will again captain the team next season. Mith one end to go it was a tie. R. Rennie and Little finisned first, and a miss of a raise-out by J. Rennie allowed Lindsay to guard the shot and count 2. It looked well for T. Rennie when Nichols and Irving piled their stones on the back rings. O'Connor placed one in front that Sauer failed to wick out, and a guard was laid. Sauer raised a cheer by drawing a narrow port to the shot. McLennan drew shot with the out-turn, while T. Rennie failed by an inch. Then McLennan drew second with the in-turn, and all left was a long raise. Instead, Rennie hit the shot and raised out his own third, counting four for Lindsay. Thus probably the closest and most stubbornly contested tankard game in the history of the association was not decided until the last stone was curled.

Mt. Forest Beat Harriston.

Mount Forest, Feb. 7.—An important match in the Northerh League series was played here to-night, when Harriston's fast team was defeated by the Lornes of this town by the decisive score of 10 to 1. The match was important because it stopped the visitors in their lead for the champion-ship and leaves two teams a tle, which, it is understood, will be decided in home-and-home games. While the match to-night was the fastest and most stubbornly contested seen here this season, there was comparatively little rough play, the good work of the referee, Mr. Wilson of Wingham, promptly discouraging any such attempts. The strong and effective playing of the Lornes' excellent combination completely demoralized the Harristons, who were only able to score the one goal to their credit when the Lornes' goalkeeper was away from the net. A very large cowd, including about 100 from Harriston, witnessed the match. The teams were:
