

AN EXTRAORDINARY CURE OF THE GRAVEL, AND A MOST DANGEROUS LIVER COMPLAINT.

Copy of a Letter addressed to J. K. Heydon, Esq., Sidney, New South Wales, dated February 25, 1851.

SIR,—A Mr. Thomas Clark, a settler at Lake George, was for a considerable time seriously afflicted with a complaint of the Liver, together with the Gravel. His medical attendants, after trying all their skill, candidly told him that his case was hopeless, and any further efforts useless. In this situation, and when expecting every day would terminate his existence, a friend recommended him to try Holloway's Pills, and as a forlorn hope he did so, the first dose gave him considerable relief, he therefore persevered in taking them according to the directions, and is now restored to perfect health. He will feel great pleasure in confirming this statement, or even make an affidavit to the same effect, should it be required.

(Signed) Wm. JONES, Proprietor of Goulburn Herald, New South Wales.
