DELAYED THE GAME FOR FUN That Was What It Looked Like When St. John the Baptist Purposely Made Errors Last Evening--Score St. Peter's 14, St. John the Baptist 1.

Up to the fourth inning the game on the Shamrock grounds last evening between the league leaders, St. Peter's and St. John the Baptist, was a good one. The score stood at the first of the fifth inning, 5 to 1 in the North Enders' favor. After that, however, it was a very poor exhibition of ball, the final result being 14 to 1. St. Peter's, knowing that nothing but some strange wangle would constitute a game, apparently deliberately delayed matters. This whole affair was disgusting to the large number present.

ST. PETER'S TO PLAY HALIFAX CRESCENTS. The St. Peter's ball team, the leaders in the Inter-Society League, will have for Halifax next Thursday, when they will meet the Crescents of that city on Friday and Saturday evenings. The team will consist of the following players: Rogers, Howe, Callahan, E. Mahoney, J. Peter, and J. J. Peter. The team is a very fast ball and knock-out team, and is expected to win the series.

JULY "ROD AND GUN." The eyes, not only of Canada, but of the world will be fixed during the present month upon Quebec and the Tercentenary of its establishment. The life story of Samuel de Champlain, the founder, is told in the opening article of the July number of "Rod and Gun and Motor Sports in Canada," published by W. J. Taylor, at Woodstock, Ont., and the narrative of the great explorer's life will be found entrancing reading. Of equal interest are the articles on the Tercentenary of the country, the life story of "The Trail of the Kawingona" by Harry O. Auer, author of "The North Country," Mr. Auer's description of the Tercentenary trip he took into the north country with his father and mother and tells of the joys experienced in canoeing and fishing far from civilization. This story is fully illustrated from photographs taken by Mr. Auer.

The "Next West" lets one fly into the new country to be opened by the Grand Trunk Pacific and shows that new wonders await the development of some of our most fertile and western regions. A schoolboy's search for an ideal vacation is a most interesting paper, the search including a trip to the Old Country, life in the back woods of Quebec, a jaunt to a reasonable starting place and the finding of the ideal vacation spot. A paper on "The Fresh Water Trout of Canada" will interest all fishermen. There are many other papers of interest to sportsmen.

The playgrounds committee arranged yesterday should be flower day for the children enjoying the use of the Every Day Club grounds and at noon some eighty bunches of flowers were distributed by Miss Ketchum, Mrs. H. A. Powell and the teachers. The committee have to thank an unknown donor for a plentiful supply of blooms which arrived by train. The flowers were eagerly sought for by the children and the distribution was quite an attractive feature.

A new sensation. A real pleasure. The big black plug. A SINGER BRITANNIA BEATEN. Port Perry, Ont., July 3 (Special).--It is believed that the assailants of F. Lodge, who on Tuesday night best gagged and bound him, and who may yet have to answer to a charge of murder, are safe under guard in the penitentiary. The men captured are Fred Murray, an ex-convict, George Easton, an elderly man with a record and Frank Smith, a young fellow unknown to the police. Mr. Lodge, the young singer who was so brutally beaten, is in a decidedly serious condition.

JOE GANS IS FAVORITE OVER NELSON FOR TOMORROW'S "GO"

Apparently the Battling One Is in for the Worst Beating He Has Ever Received.

SAT. JULY 3.--On the eve of the battle between Joe Gans and Betting Nelson for the world's lightweight championship honors, the negro is a decided favorite. Bookmakers predict that many heavy wagers will be made before the fight, but this opinion is shared by only a small proportion of the sporting experts congregated in San Francisco today to witness the mill.

According to the articles of agreement, the bout will take place tomorrow afternoon at Croft's Mission street arena and is scheduled to go forty rounds. The winner will receive 60 per cent, and the loser 40 per cent, of the 70 per cent of the gross proceeds which will go to the fighters. The men will weigh in at 133 pounds at the ring-side strapping. Jack Walsh has been agreed upon as referee. A clause in the articles is to the effect that the referee must not put his hands on the men if they should be in a clinch. They must step back at his command. This clause was inserted at the request of Nelson's representative. The Dane never clinches, and this condition is thought to favor him. It is considered of so much importance by Ben Selig that he had a special conference with Gans before he agreed that it be made part of the articles. Nelson does his most effective work at infighting, hence this is expected to be in his favor. There is every indication that a record-breaking crowd will witness the encounter and to see settled the dispute which Nelson and his supporters have tried to keep up ever since that memorable battle at Goldfield on September 3, 1906. There has never been any doubt in the minds of the fair ones as to the outcome of the struggle, for only the prejudiced gave any consideration to the ridiculous claims of Nelson that he had been robbed in 1906. The average for the two heats is the fastest on record, and practically insures the speed cup for the present series of races to Mr. McDonald's gelding.

YOUNGER LARNED TRIMMED CLOTHIER

Brother of Tennis Champion Ate Too Much For Exit Holder.

New York, July 2.--There was plenty of excitement Tuesday at the Orange Lawn Tennis Club to reward the victors and congratulate the progress of the play for the middle states championships in lawn tennis. In the first round of the singles, Ed Larned, young brother of the national champion, put out William J. Clothier, the national champion of 1906, in straight sets, 6-2, 6-2, 6-2. Larned had it on Clothier all the way in the first set, fairly smothering the tall Philadelphia. He placed with beautiful accuracy and was at the top of the game, which consists chiefly of form and has little variety. For that reason there was an almost monotonous succession of successful and sure placing shots by Larned, which made Clothier look awkward and out-matched. In the second set Clothier played a little better, but he had no chance for placing shots. However, he was weak on his returns, which had nothing like the drive that Larned put in his. Even though Larned played a little more alertly in the second set, he was at no time in great danger of winning it, however the points were called. The victory today gave Larned an excellent chance to reach the final round, it is thought, because it shows him to be at the best of his game.

BOXING GOSSIP. Teddy Murphy has taken Jim Barry to town again. Russell and Willie Lewis are mentioned for one of the New York clubs. Packy McFarland is a slight favorite over Fred Welsh for their contest Saturday.

The San Francisco fight fans threaten to boycott any club that puts on Jack O'Brien.

Abe Attell and Dick Hyland are mentioned for a six-round bout at one of the New York clubs.

Mike Schreck is planning to invade Australia and participate in the boxing events that a syndicate intend promoting there.

According to good judges who have seen him box and work out in training, Charley Griffin, the Australian, is a great fighter. Billy Parker was victorious with Sam Langford, but like the rest of the boxers who fear an opponent, draws the color line.

Stanley Ketchell's match with Tony Caponi has been called off. Ketchell's manager is negotiating for a go with Hugo Kelley at Milwaukee.

Sam Berger, the heavyweight boxer who on an unknown donor for a plentiful supply of blooms which arrived by train. The flowers were eagerly sought for by the children and the distribution was quite an attractive feature.

A little hitch in the weight question confronts the matchmaker of the Army of A. in the match between Unholz and Tommy Murphy. Unholz wants the weight 133 at 3 p. m., while Murphy is holding out for the same notch at ring-side. However, the directors are hopeful of adjusting the matter very soon.

PHOEBEN W. IN GREAT RACE

Former St. John Horse Close Second in Race at Which Records Went to Smash.

(Boston Herald, Wednesday.) All records for speedway racing at half mile heats went glimmering at the Charles River speedway yesterday afternoon, when W. J. McDonald's pacing gelding Clamos stepped the first heat of his winning race in 57.34 secs. The race was over the up per road, which was fast after the shower, and the wind was with the horses. The time was so fast that many could not credit it at first, but all of the other races were trotted in exceptionally fast time; indeed it was the most sensational racing ever seen at the speedway.

The horses were well classed and many of the finishes were extremely close. In the record-breaking heat Phoebe W. was right at Clamos' wheel, but went to a break three lengths from the wire. Phoebe W. made another gallant try in the second heat, but it was no use, Clamos finishing a length and a half to the good in 1.00. The average for the two heats is the fastest on record, and practically insures the speed cup for the present series of races to Mr. McDonald's gelding.

LOTS OF SPEED ON TAP. Boston, July 2.--There was considerable excitement at the track Tuesday. Tuesday is the regular day at the track for stepping them along, and some very creditable miles were hung up by some of the horses and youngsters at the track.

The best performance was that of J. J. Johnson's 2-year-old colt Tuesday, Todd (2:14.34), out of Amias, the dam of Phala (2:04). The youngster was driven two miles by Trainer Carpenter, the first in 2:22.4 and the second in 2:24. This is a new track record for 2-year-olds on the track. The youngster was well with himself and there is no doubt that he can trot in 2:20 or better the first time he is asked.

There are a lot of right good 2-year-olds in the city, and some of them have been having trotted miles down the track. Henry Titer stepped Fred, the brother to Blue Hill, an easy mile in 2:30. A Bin-gin 2-year-old in Arthur Parker's stable has been a mile in 2:32, and a pair of Metalle, out of Grace Hastings (2:08), has shown Fred Hyde a mile in the same time.

Carroll boy's 3-year-old colt Silver Brown, stepped a nice mile in 2:21, with the last eighth in 15.34 seconds. John Young gave the Able farm 3-year-old Binola (2:18.84) a mile in 2:20, with the last half in 1:07.

Henry Titer worked Aquin six miles, trotting them between 2:18 and 2:19. One of them he worked with Kim, the two trotters going the mile like a double team and finishing lapped in 1:15. Jimmy O'Donnell worked the Bingen stallion Catalina in 2:19. His futurity candidate Adula, by Aquin, has been a mile in 2:22 with the last half in 1:08.

Alta McDonald worked the green trotting mare Alta Victor a mile in 2:22, with the last half in 1:05. Alta McDonald worked his stake trot-ter Muncie a mile in 2:11, with a fast last half. The critics liked the trotter very much.

TROTTERS MEET AFTER ALL. After a conference with managers of trotters scheduled to appear in the \$5,000 free-for-all event that was to have taken place July 4, the Readville management has decided to give a race on the same day for \$2,500. When W. J. Andrews, Norman E. Brooks of Australia, the title holder, will not defend the title this year, Mr. Steery vanquished all comers in the ladies' singles, and in the absence of May Sutton of California, the present holder of the British title, she becomes champion.

UP TO ENGLISH TO SAY WORD

Harvard Willing to Challenge Cambridge Crew--Feeling of Latter Being Sounded.

Boston, July 2.--It is up to the Cambridge (Eng.) crew say whether there shall be a Harvard-Cambridge race in England next September. Immediately after Harvard's victory over Yale's new London last Thursday, the statement was made from official sources that there was something more than a mere desire that the Harvard crew should journey to England this summer to meet the Cambridge varsity eight, by which the Cambridge rowing authorities at Cambridge and to ascertain whether how much favor Cambridge views the prospect of this informal challenge.

The Harvard men, not caring to issue a formal challenge to Cambridge unless there were exact chances of its acceptance, are now engaged in sounding the feeling of the Englishmen. Several good friends of Harvard in London have undertaken to see some of the rowing authorities at Cambridge and to ascertain whether how much favor Cambridge views the prospect of this informal challenge.

A SHAM BATTLE TODAY ENDS CAMP AT SUSSEX

Attacking Party, Under Lt. Col. McKenzie, Will Hurl Themselves Against the Town, Which Will Be Defended by Force Under Lt. Col. Chipman--Proposed Boxing Match Last Night Not Permitted by D. O. C.

Sussex, N. B., July 2.--With the sham battle tomorrow which will be over by noon, drill at Camp Sussex will be practically finished and the homecoming movement will be begun tomorrow night when the cutting of railroad communication and they plan to capture the stores at Camp Sussex.
