Broker's Clerk Charged With Having Stolen \$11,700 in Securities.

(New York Times)

David H. Pool, a 22-year-old transfer clerk in the employ of Clark, Dodge & Co., 31 Wall street, was arrested at the office of that firm yesterday by detectives of the Old Slip station and later locked up at police headquarters charged with having stolen bonds and negotiable securities amounting to \$11,700. According to Louis C. Clark, jr., a member of the firm, the thefts cover the period between June 20 last year to April 20, 1921. Pool, who had been with the firm two years at an annual salary of \$2,000, was married and lived at 841 East Tremont avenue, the Bronx.

His trouble began about a year ago.

TRIPLE-SERVICE

(ECONOMIC-HYGIENIC-STYLE)

Makes Nemo Corsets Indispensable

The Meaning of Nemo Corset Service MILLIONS OF WOMEN DEPEND ON IT

Nemo Corsets comprise many hygienic features of great scientific value and are divided into three distinct services:

Hygienic Service—Style Service—Economic Service

Their Hygienic Service has become invaluable and indispensable from a humanitarian and health point of view. The medical profession fully recognizes its preventive and curative qualities.

Their Style Service is necessarily different from that furnished by other corsets. The scientific and hygienic results can be obtained only when Nemo Corsets fit the figure accurately, comfortably and properly.

Their Economic Service, on which the first two depend represents the long-wearing qualities of Nemo Corsets. No amount of ingenuity in conceiving these valuable inventions would avail if the corsets themselves were not extremely durable based exclusively on the themselves. Their Hygienic more than the corsets are given entirely free.

The Circlet does for the figure above the waist what the corset does below.

"It Beautifies"

The Circlet has neither hooks nor eyes yet it molds the figure perfectly. As It Encircles"
