RECENT DEATHS

Miss Jane McNamee.

Many friends of Policeman James McNamee will extend their sympathy to the death of his sister, Jane McNamee, which occurred yesterday afternoon at the home of her parents, Mr. and Mrs. John McNamee, Golden Grove.

McNamee was in the fortieth of her age. She was well known to many people in the city, who will be shocked to hear of her death. She had been in poor health for the last month or so, but her death was unexpected. She is survived by three brothers and sisters, besides her parents. The brothers are John and James in the city, Felix at home, and the sisters, Mrs. Carrigan, Mrs. John Driscoll in the city, and Miss Belle at home. The funeral will take place tomorrow afternoon.

William Hughes died suddenly at home, Barker's Point, on Saturday. He is survived by his wife, two daughters and five sons. Her father, two brothers also survive.

Ernest M. Green, of Fredericton, died yesterday morning at the age of 40, leaving a widow, two sons and two daughters. He was a well known express man.

While at work on the farm of James Hill at the Marsh Road on Saturday night, Percy Emery, an English immigrant, fell dead. The young man had been complaining of not feeling well for some time. He was about 25 years of age and was employed by Mr. Hill. He was a well known man in the city, who is employed by Pittsford's farm.

AFTER SICKNESS

Gardner Tells How to Restore One's Strength

So many people are asking how to overcome their weakness after severe sickness that I am publishing this information for their benefit.

After grippe, influenza, pneumonia, or any other illness, you need a new strength and better blood. The most certain way to get this is taking Vinol, my delicious cod liver oil preparation.

I am, Mrs. T. Gardner, Chicago, Ill. I was a total invalid for nearly a year and a half, and was unable to do anything but lie in bed. I tried every remedy, but without success. I was then recommended Vinol, and I took it faithfully, and it seemed to do the trick. I am now as strong as ever, and I am able to do all my usual work.

I have a bottle of Vinol. Your money is returned if it does not restore your vitality and strength. Chas. R. Vinol, Druggist.

INDUCTOR CHESLEY

RETIREES FROM I. C. RAILWAY

George A. Chesley, who has been in the Intercolonial Railway service for thirty-eight years, the last thirty-three as a conductor, will retire on pension at the end of the month. Mr. Chesley began his career with the railway in 1875, and was soon promoted to the position of baggage master. He has been a member of the railway for forty-four years, and has been a conductor and an inductor. It is worthy of note that during his long career as conductor, Mr. Chesley has never been in an accident, nor has the train of which he had charge ever been delayed or injured.

Mr. Chesley was born in this city, but people moved to Albert county when he was about a year old. Mrs. Chesley, well as her husband, is enjoying good health and their two daughters are both married. One is Mrs. Murray Holly of the city, and the other Mrs. Bert Duffy of New York.

Many friends of this popular conductor join in wishing him and his good wife a long and happy life.

Let Gray Hair Make You Look Prematurely Old

Nothing so quickly and surely robs a man of his charm as gray hair, and nothing is so easily prevented.

A few applications of Hay's Hair Restorer will restore gray hair to its natural color and luxuriance. It is not a tonic that stimulates and invigorates the scalp and hair roots to the proper performance of their functions, thereby bringing back the original color of the hair. It cures dandruff. Your money will be refunded if it fails to do this.

LEFT TO ITSELF
ECZEMA SPREADS
When left to itself, eczema, as a rule, runs on indefinitely. Even with careful treatment it is often obstinate in resisting curative measures.

The cause of eczema is difficult to find, but you can readily obtain relief from the dreadful itching by the application of Dr. Chase's Ointment. This treatment cleanses the sores and soon sets up a process of healing which leads to complete cure.

Patient and persistent treatment is necessary in severe cases, but as you can readily see the improvement from day to day as Dr. Chase's Ointment is applied you will be encouraged to keep on until you have driven out the disease and restored natural, healthy skin.

Attention to the general health is advisable in order that the cure may be lasting, but you can depend on Dr. Chase's Ointment to stop the itching and heal the skin. So well does it accomplish this that many cases it brings about are almost like miracles. Put it to the test and you will be surprised and delighted with the results.
