

While several changes have occurred, it is recorded with thankfulness that death did not touch the Guild during the year that is now closed.

Earnestly seeking the good of St Andrew's and trying in all these different ways which have been enumerated, to secure it, the Guild respectfully submits this their second Annual Report.

On behalf of the Young Women's Guild.

M. VOLUME,
Secretary.

Young Men's Guild

The Guild, in presenting this its second Annual Report, although their influence has not been felt much outside, its own Members feel that the year has been a very encouraging one, as all meetings, both religious and business, have been well attended and an increased interest has been manifested by the members.

In connection with our social work we, conjointly with the Young Ladies Guild, held an "At Home" on Nov. 26th, 1891, which considering the inclemency of the weather was exceptionally well attended and successfully carried out.

We, as a Society organized for the advancement of the good and welfare of ourselves and others, deeply regret that a tavern has just lately been opened so near our church and would unanimously uphold any scheme that would tend to rid, not only ourselves, but all young men of the city, of this awful temptation.

THE OFFICERS ELECT FOR 1892 ARE:

<i>Hon. President</i>	Rev. J. Mackie, M. A.
<i>President</i>	Mr. R. S. Minnes.
<i>Vice-Presidents</i>	Mr. J. W. Clark and F. Raney.
<i>Sec.-Treasurer</i>	Mr. C. A. Low.
<i>Organist</i>	S. Shannon.
