Sir:—Before eruptions, there is generally a to be stantart.

Tow rambling sound heard, incleating that the mountain is in labor and will ere long bring torth its burning lava and that its red hot SAINT ANDREWS, MALCH 4, 1868. stones and liquid fire will be scattered over the beautiful and fruitful velley, destroying

minds of some correspondents in the Standard, for two weeks past, who would fain indexor to make public grievance, is assuming such proportions, as to call for a counter-accentant. The burden of those would be public benefactors complaints is summed up in a few words. The Grammar School is said be an it passons. The Grammar School is said be an it passons. The Grammar School is said be an it passons. The Grammar School is said be an it passons in the Province. It was content to the Parish, President, and the Directors happen to be chared wardens and members of the vestry, with the exception of the Parish, President, and the Directors happen to be chared wardens and members of the vestry, with the exception of the vestry, with the exception of the restry in the province of the market, and that the and served his apprentice ship in the office of the Porvince of the public of a page the propositions, as the province of the public of repulgible of the public of restry with the exception of the said are they a proceeding the death of an old and respected inhabitant the oldest printer and publisher in New Brunswick—prings in the Dominion of the Ween the law of the printer and publisher in New Brunswick—printer and publisher in New Brunsw or said anything to disquality them from being three traces will be required by shipbuilders, and the Public or "Public Opinson." I understand that the much respect of masses, the Ev. Mr. Smith will soon leave us, which I have the property of the propert

spirit then evinced would still prevail in regard Atlantic sea ports in winter as well as summer, to the barriers, to the free circulation of that The claims of St. John, cannot be passed over popular educator, the press of the country and even by selfish politicians, nor will the people that every hon, member would give his hearty suffer their interests (which are the Dominions) support to this appeal for the abolition of news- 1:0 te guored.

Mr. Babbitt would go for the resolutions if Hiem.

Mr. Stevenson disagreed with the resolutions. He said nothing of the postage on newsinpers but he thought that we could as well
flord to pay makes on bills and promissory
mates, as any other article for which we are

Dr. Dow disagreed with Mr. Stevenson. It sate the undoubted privilege of every British subject to petition against growances of the law, and he believed it was the duty of the people of this Province to do everything in their power to scene the removal of the present are invited to attend, seats free.

Lecture—On Saturday Evening text, the Methodist Clurch located on Grafton Street, Halifax, was destroyed by fire on Sunday night of last week. The building cost \$20,000, and was partially insured in the present are invited to attend, seats free.
