"Those stains, mother?" Yes, those stain. Well I canuot tell a bold lie, mother, She wasn't quite sure, and he was lowed to go out and play.

Boetrn.

Never Say Fail.

Keep pughing-'tis wiser Than setting aside, And dreaming and sighing And waiting the tide ; In life's earnest battle They only prevail Who daily march onward And never say fail.

With an eye ever open, A tongue that's not dumb, And a heart that to sorroy Will never sucsumb, You'll battle and conquer, Though thousands assail How strong and how mightly Who never say fail ;

Is active, I know As higher and higher In glory they go; Methinks on bright pinions From heaven they sail, To cheer and encourage Who never say fail;

In manhood's firm pride, Let this be your motto Your footsteps to guide, In storm and in sunshine, Whatever assail. We'll onward and conquer.

quietly. "I have long wanted to visit my Aunt Susan. I will do so now, and you may keep house. I shall have to cook up dripping from her rick she was tampted to

"Sure!" what a look he gave her-"vot Mrs Keith laughed to herself when her his steps homeward to clean up the breakfast things and prepare dinner. She only wished she could be there invisible, to see

ing the kitchen; "I will wash the dishes first, and I'il put on one of Mary's dresses o keep me clean."

He fastened it round his waist with

pin, roded up his sleeves and looked about him. The hie was out, but after much

him. The are was out, but after much trouble he succeeded in rekinding it, and then began the dishes. He took them to the sink, plugged up the spout, and put them to sook in cold water.

"There, they are washed," said he to himself: "Now for something to wipe them on. I will take the table-cloth. Such a fuss as women make about work! Why I could wash all the dishes in the neighborhood in half a day. This stew-pan smells of gresse; I wooder what's the con't put yourself out, I beg."

thought we would just step in to dinner. Where is Mrs. Keith?"

"She has gone away," said Keith rue-fully, wondering what he should feed them in; "walk in do; I am the housekeeper oday."

"Yes, I should judge so. But of course you make a spleadid one. I remember you used to be frequently telling Mrs. Keitlind myself how very easy housekeeping nust be. It must be mere play to you don't put yourself out, I beg."

matter with it? There, I've got swint or matter with it? There, I've got strent on my hand—there it goes on that ch'an sancer, deuce take it! I wish there was no smut—hille! there's one plate gone to smash! Oh dear! there goes the creampitcher! And I've stepped into the potato dish that I set on the floor to dry, and that's gone to the shades, Never mind; accidents will happen. I goess I'll trim the lamps next; mother always trimmed them in the morning. Confound 'em how, black the chimnies are!"

"Put myself out, indeed!" cried Keith retreating to the kitchen. "Good gracious, what shall I do? I would give a hundred dollars if Mary was only here: Where shall I begin?"

He drew out the table and set it without any cloth—the very one he had wiped accidents will happen. I goess I'll trim the lamps next; mother always trimmed the steak completed, he put on some more potatoes, and some more steak; burned the steak all to a cinder, took off his potatoes when he did his meat;

ing water was cleaning, so he scalded the chimneys, and the result was a hundred different nicces of each chimney.

A quizzical smile spread over Mrs. Fidgifferent nicces of each chimney.

different pieces of each chimney.

"Good gracious?" cried he, "who would have thought it? There is some one at the door. I will step out just as I am. It can't be any one that I care for, so early as this?"

"Ma, my plate is all greasy, and so is my knife; can't I eat on dirty dishes," cried little Jolinny Fidget.

"And my frock is wet all over with

loaded with pans of milk. Duce take it!" exclaimed he, scramb-ling to his feet, and rubbing his head, "how do women manage with these infernal long quicker than a wink. dresses? I shall break my neck with this

The Adaptability of Genius.

Mrs. Keith had just anished her work for the day, everything was tidied, and she was taking up her sewing, when Mr. Keith upset a vinegar bottle and a bowl of gravy in the Litchen cupboard, rum may ing after a Luife which in a little sugar, dropped in an egg and se The potatoes he the vessel in the over

Her face grew dark. She was tempted to lose control of herself but bowed haughtily

the oven. The burnt rice had hopped all of two kept biting and pulling for six the pudding was not done. He shut the day you sold her to me." over the oven; the bash had melted apart; the pudding was not done. He shut the door in disgust, and looked after his pota-toes only to find them boiled to a jelly. And just as he made the discovery, there was a sharp peal at the door bell.

" Put myself out, indeed !" cried Keith

black the chimnies are !"

Thus conversing with 'simself Mr. Keith and put them all on the table. There was put the chimneys in a basin, and cogitated a noment. He had he ard it said that boil.

The paraded that, and called his guests to din-

can't be any one that I care for, so carly as this."

A small boy presented himself, eyeing Keath with ill-suppressed mirth.

"Be you the mistress of the house?"

"Yes—that is, I am the master," said Keith with dignity; "what can I do for you?"

"Nothing, I guess; marm sent me over to see if you—that is, if the mistress of the house would take care of the baby while she goes a shopping?"

"No," roared Keith; "I have other fish to fry," The boy put his thumb to his nose and Mr. Keith, after slamming the door as men generally do when they are out of temper, returned to the kitchen. The fire all out, and room decidelly smoky

"I will go down cellar and bring up some coal," said he, starting briskly down stairs. On the second step he put his foot through a rip in the skitt, stumbled and Keith to favor.

"Tech him if ye dare!" roared she, I'll break the bones of every mother's son one coal, "said he, starting briskly down stairs. On the second step he put his foot through a rip in the skitt, stumbled and light for the second step he put his foot through a rip in the skitt, stumbled and light for the second step he put his foot through a rip in the skitt, stumbled and light for his pingue."

Mrs. O Flathety berself appeared on the secone, with a skillet of hot water.

"Tech him if ye dare!" roared she, I'll break the bones of every mother's son one coal, "said he, starting briskly down stairs. On the second step he put his foot through a rip in the skitt, stumbled and light for his pingue.

through a rip in the skirt, stumbled, and fell to the bottom of the cellar, smashing a basket of eggs, and knocking over a shelt playing cards.

"The devil in petticoats?" exclaimed one gamester, and the place was emptied The police picked up Mr. Keith consider

The police picked up Mr. Keith considerably braised, and carried him-home. His company had taken their departure, and some one not having the fear of the law before his eyes, had entered and stolen a hundred dollars worth of property.

Then Keith sent the following note:

Phen Keth sent the following. I give up.

Dear Mary:—Come home. I give up.

at. A woman does have a great deal o beat. A woman does have a great dear of do. I confess myself incompetent to manage. Come home and you shall have a new silk dress, and a daughter of Erin to divide your labors.
Yours faithfully,

in the country came in and enquired for a plug of chewing tobacco. The piece of sole leather was tied up, paid for, and the purchaser starfed for home. At the end of the sixth day he returned, looking downcast and dejected, and walking into the store he enquired of the clerk: "Member that terbacker I got here the other day ?"

"Yes."
"Well, was that a new brand?" Regular plug terbacker, was it ?"

"Yes."
"Well, then, it's right here in my jaws," sadly replied the man. "I knowed I was gettin' purty old, but I was allus handy on bitin' plus. I nover seed a plug afore this that I couldn't tear to pieces at one chaw. I sot my teeth on this one, and bit and pulled and twisted like a dog at a root and I vo kept biting and rolling and a colling a colling and a colling a

door in disgust, and looked after his potatoes only to find them boiled to a jelly.

And just as he made the discovery, therewas a sharp peal at the door bell.

"Creation! there's that abominable belt again; I wish tolks would stay at home I'll look all the doors, and cut will the bell wires after to day."

"The same as "Seems to be a good plug," remarked the clerk as he smelled the counterfeit.

"She all right; it's me that's failing the color man. "Pass" me or the some fine cut, and I'll go home and doed the farm to the boys, and git ready for the grave!"

An officer of the regular army laughed at a timid woman, because she was alarmed at the roise of a cause she was alarmed at the roise of a cannon when a salute was fired. He subsequently married that thought we would just step in to dinner. Where is Mrs. Keith?" home late at night
