DR. SHARP'S ENGLISH TONIC BITTERS.

These well known and unvaried BIT-

TERS, prepared by a peculiar and elaborate

Chemical process, from rare plants and herbs,

and entirely free from all mineral, acid, and

other noxious ingredients, have been found

the most useful in Dyspepsia or indigestion,

Weakness of the Liver and Kidneys, and Ir-

regularity of the Bowels.

In all cases of Debility, whether arising

from illness, fatigue, or other causes, they

prove eminently serviceable and afford re-

markable relief, being devoid of all spirituous

and other injurious stimulants, may

be given with happiest effects to young chil-

dren, correcting in them the tendency to the

generation of worms, and other Bowel com-

plaints.

For Females these Bitters are peculiarly

suitable, giving tone and vigor to the system,

and imparting new strength to the frame,

which, after pregnancy or other exhausting

causes may have impaired.

These Bitters produce a feeling of buoyancy, removing depression or melan-

choly, and hence are of great value in the treatment of Mental and Nervous

affections. They produce a healthy flow of the secretions, and should be used by all

who suffer from

DEPRESSION OF SPIRITS, SLEEPLESSNESS,

NERVOUSNESS, AND all kindred complaints.

Everybody knows that Sharp's English Tonic Bitters cannot be the best

cough medicine ever offered to the public.

Everybody ought to know that Sharp's English Tonic Bitters cannot be too highly

commended for the diseases they are recommended to cure. Sold wholesale by T. B.

Barber & Son, St. John, and as small all druggists. The price is reduced, so as to come

within the reach of all. PREPARED BY
