WM. W. NORTHCOTT,

City Engineer.

Purchasing Agent.

Aldermen:

ALDERMAN BRINGS **QUESTION TO A HEAD** 

Regarding Financial Relations Between City Council and School Board-Monday's Meeting.

There was no Tobasco sauce (a figure various calculations showing the above reof speech) at the council meeting Monday sults is enclosed herewith. evening, in other words it was a serene session in which a considerable quantity of business was transacted. There was absence of debate, which indicated that the aldermen had sized up the order paper before assembling in the council chamber, and had thoroughly made up Goodacre, that the work covered by each their minds. The committee room downitem be given to the firm whose tender stairs is where the aldermanic ideas are was lowest, and when two tenders were incubated; the council chamber is where equal the work to be divided between those ideas are judiciously aired.

olution was passed urging the Lieut.-Ald. Oddy opposed this motion. Under Governor to introduce legislation to give the school board power to levy their own the circumstances, he thought, the con-tract should be awarded to the Victoria rates. This was along the line of action Machinery Depot, which was an estab-lishment conducted within the limits of ended by Mayor Barnard to the city council of Vancouver, and published in yesterday's Times. The resolution on the city, and which paid the municipal rates. He moved an amendment to this subject, which was read by Ald. Oddy, is as follows: Ald. Hall, while favoring an establish-
