Hazen Reformers Have No Room for Criticism

Public Accounts Committee Finds That Methods Once Condemned are Still Continued.

FREDERICTON, N. B., April 28.—The public accounts committee spent most of the morning in an examination of the public works department under the head of special expenditures on roads and bridges. This expenditure amounted altogether to \$2,728,844.

In looking over this year's accounts he found a bill of W. H. Thorne and Company which had been passed and contained similar charges so he did not think it rested with the present administration to find fault in this respect, as they were doing exactly the same as their predecessors.

The committee thought that there was no harm in paying for these tools but the department should see to it that the tools after being used, should be accounted for and not have the system prevail that every time a contractor built a bridge he should buy new tools and carry them away with him.

TO TAX IMPORTED LABOR ALL OVER THE PROVINCE

Bill imposing a Working License of \$3 on Non-Residents is Approved.

FREDERICTON, N. B., April 28.—The municipal committee held its final meeting this morning. The bill to facilitate taking of valuation of Victoria County was recommended favorably.

A bill introduced by Mr. Tweeddale to authorize the municipality of Victoria to impose a tax of three dollars upon all persons not being taxpayers in the province who might be employed temporarily in the county, provoked considerable discussion.

SUFFRAGISTS HELD A MONSTER PARADE

Released Prisoners Were the Star Features

Some of the Leaders Unable to Attend, But There Was Quite a Lively Time Just the Same.

LONDON, April 28.—The international parliament representing women of twenty countries, banded together to demand equal civil rights, is the one world event of the week in London.

An immense demonstration was made last night in Albert Hall, heralded by a procession of a thousand women workers carrying 800 ancient watchmen's lanterns and all the emblems of a hundred trades.

The Suffragettes have at least introduced romance, realism, poetry and beauty into the somewhat squalid arena of party politics.

The American president, Mrs. Chapman Catt, neither blessed them at all nor cursed them at all, holding herself strictly neutral, but her audience blessed them neither.

It was a scene of tumultuous enthusiasm that hailed the appearance of Mrs. Despard, leader of the extreme wing of the Suffragettes, when, fresh from her prison experiences, she arose to address the meeting.

Lady Constance Lytton is at Knobworth, Mrs. Pankhurst is fighting a by-election at Sherfield. The 'air Lady' Christabel is worked to death.

TWO DISASTROUS FIRES THIS MORNING

Clark Leather Works at Peabody Burned.

The Lockport Rubber Co.'s Plant Destroyed This Morning at a Loss of \$250,000.

PEABODY, Mass., April 28.—Fire early today destroyed one of the large buildings connected with the leather manufacturing plant of the A. B. Clark Co., partially burned another and caused much damage to surrounding property, entailing an estimated loss of about \$185,000.

LOCKPORT, N. Y., April 28.—The great plant known as the Holy Mfg. Co., occupied by Lockport Rubber Co., and the Susquehanna Smelting Co., was burned by fire early today.

The buildings were located on the east side of the Niagara Escarpment, alongside the canal locks. Owing to its great height the water pressure was of but little use except in preventing the spread of the flames.

CONSTANTINOPLE, April 28.—A telegram was received here today from Miss Rose Lambert, one of the besieged American women missionaries in Hadjin. It sets forth the danger surrounding Miss Lambert and her companions. The messenger who first started with the message to the telegraph office was shot down on the way.
