

THE WEATHER.
 Maritime—South and southeast winds; local showers, but partly fair, with fog off coast.
 Toronto, June 28.—Rain has fallen today in Alberta and southern Saskatchewan and is spreading eastward into Manitoba. The weather has been fine and cooler in Ontario, and showery in the maritime provinces, with dense fog off the coast.
 Minimum and maximum temperatures:
 Dawson—40, 78
 Victoria—50, 62
 Kamloops—54, 78
 Calgary—50, 66
 Edmonton—54, 62
 Prince Albert—49, 68
 Moosejaw—48, 69
 Qu'Appelle—50, 60
 Winnipeg—48, 70
 Fort Arthur—49, 66
 Parry Sound—52, 62
 London—57, 72
 Toronto—60, 72
 Ottawa—62, 78
 Montreal—68, 84
 Quebec—66, 86
 St. John—60, 72
 Halifax—58, 70
 Lower Lawrence and Gulf—Moderate winds; a few local showers, but mostly fair and moderately warm.

AROUND THE CITY
To Hold Auto Runs.
 A meeting of automobile owners in the city was held last evening at the R.Y.K.C. club house, Millidgeville. In addition to routine matters transacted it was decided by the association to hold a series of club runs during the months of July and August.
Wandering Boy Found.
 Shortly after noon yesterday a small boy was found wandering about Brussels street by Policeman Ross and was taken to the central station, where he was called for later by his mother, Mrs. James Greer, and taken to her home on Brittain street.
Hatheway-Murray.
 In St. Luke's church yesterday morning Miss Louise Murray, daughter of E. S. R. Murray, was married to Samuel B. Hatheway, of Fredericton. The ceremony was performed by the rector, Rev. R. F. McKim and only near relatives were present. Mr. and Mrs. Hatheway left for Nova Scotia on their honeymoon. They will reside just above Fredericton, where the groom has a fine residence.
A Girl Injured.
 Last evening a girl employed in the Chinese restaurant on Mill street met with a very painful accident, while reaching through a window for some food, a piece of glass gave her a severe cut on the forearm. Dr. Baxter was summoned and it took about a half dozen stitches to close the wound. The young woman lost a lot of blood before the doctor arrived and the wound was a most painful one.
Will Be Ordained Tonight.
 J. Wilder Williams, who has been acting pastor of the Tabernacle church for some time, will be ordained as a minister of the Baptist church at a special service to be held in the Tabernacle this evening. The council of the church, which consists of the pastors and two delegates from the Baptist churches of the city and Fairville, will meet at 3 o'clock this afternoon, to make the arrangements for the ordination ceremony.
Public Utility Commissioners.
 A meeting of the board of public utility commissioners was held in the city yesterday, but only routine matters were dealt with. The commissioners will remain in the city today to go over the evidence in the telephone case. It is not expected that a decision in the case will be reached for some time, as the evidence is very voluminous, taking up over 700 pages of type-written copy. The board does not have before it any complaints in regard to public utility companies in other parts of the province.
A Fine New Grocery.
 The store on the corner of Charlotte and Duke streets, for many years occupied by Vanwart Brothers, has a new tenant, Fiddess and Company. The new firm opens today with a full line of groceries, meats and provisions. The interior of the store has been entirely renovated. A modern refrigerator has been built, a new sanitary floor put in, the walls decorated. Six assistant salesmen have been installed which assist in displaying to the best advantage the very complete stock carried. The store as a whole is one of the brightest and most up to date in the city and being particularly attractive should make for the new firm many friends.
Arrested for Theft.
 Detective Patrick Killen, who is a terror to thieves, jumped into the limelight again last evening about 8:30 o'clock when he arrested an 18 year old young man who gave his name as Alex. Coombs, hailing from New Glasgow, N. S., on suspicion of stealing one blue sack coat and a pair of trousers, the property of John McGuire, also a brown suit of clothes the property of Edward Farris, from the latter's house, Mill street yesterday. The young man had only been in the city about 24 hours from Bangor, Me., and it did not take him long to get into trouble. When searched at the central police station last night he had \$1.10 and a ticket for Moncton in his pockets.
PERSONAL.
 Dr. W. P. Broderick returned on last night's train from Philadelphia, where he has been attending a class reunion.
 The closing of Miss Dole's private school for the summer vacation was celebrated yesterday by a picnic to Sealde Park. The pupils and their friends had a most enjoyable outing.
 T. Fred Powers, who took serious ill on Sunday was reported yesterday as being greatly improved, and his recovery is now looked for by the physicians in attendance.
 Miss Hazel C. Gibbon, daughter of J. S. Gibbon, recently completed the Homemakers' Course in Domestic Science at MacDonald College at St. Anne de Belle View, Que. She made the highest marks both terms and was valedictorian at the closing on June 15th. Since then she has been visiting friends at Wakefield, Que., Ottawa, Britannia on the Bay and Montreal.

POLICE SERGEANT AND OFFICER CLASH

Reported Mix-up Between Police Sergeant Campbell and Policeman O'Neill—Case May Come Before Department.
 There promises to be a mix-up in police circles today when reports are entered to the Chief. It is said that last evening, on Charlotte street, Sergeant James Campbell, in doing his rounds, met Policeman O'Neill, and accused the policeman of drinking liquor. Immediately on the accusation being made, Officer O'Neill called the sergeant a "liar." A number of citizens saw the policeman and claim that he did not in any manner appear to have been drinking. What the outcome of the affair will be will probably be better known today.
 Chief Clark is at present away in Ottawa at the convention of the Canadian Chiefs, and Deputy Chief Jenkins is in charge. The clash between the sergeant and the patrolman was generally known along Charlotte street last night and was the chief topic of conversation.

DRUGGISTS HOLD ANNUAL MEETING

Members of New Brunswick Pharmaceutical Society Gathered at Ben Lomond House Yesterday.
 The annual meeting of the New Brunswick Pharmaceutical Society was held at Loch Lomond yesterday, about 40 delegates being present from all parts of the province. One question discussed was the sale of powerful poisons in general stores, a practice which was said to be on the increase though in the opinion of the delegates it was held to be contrary to law.
 It was decided to bring the matter to the attention of the public authorities and if it was found that the laws do not suffice to stop the practice, to take measures to secure the necessary amendments.
 The delegates convened at 10 o'clock yesterday morning at the rooms of the St. John Pharmaceutical Society in the Market building, but immediately adjourned and proceeded by bus to the Ben Lomond House where the party had dinner.
 In the afternoon a business session was held at the hotel with S. A. R. McDonald, of Fredericton, in the chair. Most of the session was taken up with business of a routine or technical nature.
 Officers for the ensuing year were elected as follows:
 President—R. Harry Robb, St. John.
 Vice-President—Arthur J. Ryan, Fredericton.
 Secretary—B. Fred Chestnut, Fredericton.
 Treasurer—Geo. Y. Dibble, Fredericton.
 Registrar—E. R. W. Ingraham, St. John, West.
 A council was appointed consisting of the officers named above and the following: A. D. Johnston, St. Stephens; J. W. Wiley, Fredericton; Alonzo Staples, Fredericton; E. A. Burdill, Fredericton; A. W. Coombs, St. Mary's; R. W. George, St. Mary's.
 After spending a social evening at the lake, the party returned to the city about 11 o'clock.

A LIQUOR CASE IN THE POLICE COURT

Michael Harney was Fined \$60 and Costs for Selling Liquor on Saturday Night, June 17th.
 In the police court yesterday afternoon there was a case against Michael Harney, the proprietor of the Vendome Hotel on the corner of Prince William and Duke streets.
 Night Detective Lucas made the charge and gave evidence that he saw men coming from the hotel in an intoxicated condition on Saturday night the 17th inst. Daniel Mullin, K. C., appeared for the defendant and stated to the court that the defendant, who was not in court, was unable and unable to come out of the house. The case was proceeded with in his absence and James McCormell of the West End was called on and testified that on the night in question he went to the hotel to inquire for a friend and purchased from the proprietor a bottle of gin.
 Two other witnesses were called, but testified that while they were in the hotel that night they did not purchase or see any liquor sold.
 Mr. Mullin, in view of the evidence, asked that a minimum penalty be imposed.
 In summing up the case the magistrate said that a defendant, if found guilty and in default of payment of a fine, could be sent to jail for not less than three months. He thought that it was intended that a defendant could be sent to jail for a term not to exceed three months and that some of the inspectors might take the matter in hand and have it pointed out to the government. In this case he would not impose the costs, but would fine Harney \$60 or in default of payment he would be sent to jail for a term of three months.

THE GROWTH OF MANUAL TRAINING IN PROVINCE

T. B. Kidner, Superintendent of Manual Training, Talks Interestingly of His Work—He goes West in August.
 T. B. Kidner, provincial superintendent of Manual Training, was in the city on an official visit to the schools. As Mr. Kidner leaves for the West in August to take the position of Director of Technical Education at Calgary, this will be his last inspection trip. Today he will visit the Kingston Consolidated school to attend the closing exercises.
 Asked if any new developments were contemplated in connection with his work, Mr. Kidner said that three new departments would be opened at the close of the vacation. The Chatham school board intended to open a manual training and domestic science school, provided with up-to-date equipment on the upper flat of the fine high school building, and a manual training department was also being equipped at St. Martins. In each place work would be begun with the reopening of the schools.
 Speaking of the prospects of the Summer School of Science which opens at Fredericton next month, Mr. Kidner said the enrollment to date was larger than ever before. Applications for attendance at the classes would, however, still be received, as there was no limitation upon the number of entries. There is, however, a limitation upon the number of entries to the classes in the six weeks' course of military drill provided for male teachers under a grant from the Federal Department of Militia.
Five H. Holiday Trip.
 Those who are in doubt where to spend the holiday might well consider the beauty spots of the Kennebecalls which are reached so easily now by the I.C.R. to Rothesay and the S.S. Premier, which meets the train there. The particulars can be found in the announcement on the second page of this issue.
Furnishings for Men.
 We are prepared to supply the wants of any line in gents furnishings. Any man knowing what value is will find it with us at the People's Dry Goods Store, 14 Charlotte St.
Centenary Church Sunday school picnic will be held at Ballentyne's grounds, Rothesay, on Tuesday, July 4th, 1911. Trains leave Union depot 9 a.m. and 1.15 p.m.

BRANCH LINE OWNERS ARE NOT SATISFIED

Federal Government's Plan for Acquiring Branch Railways will not Allow Sufficient Return to Owners.
 A good deal of dissatisfaction with the terms of the resolution under which the federal government proposes to take over the branch line railways in the Maritime Provinces, is said to exist among the owners of the roads in question, and it is understood a delegation of the interested parties intend to proceed to Ottawa and lodge a protest with the Minister of Railways.
 It is claimed that Mr. Graham's proposition does not offer any adequate inducements to the branch line owners to hand over their lines to the government. The resolution provides that the government may take control of the roads on a valuation determined by the Exchequer Court which shall be based on the report of the government engineer which in turn will be based on a valuation determined by the price paid by the owners, adding interest, but deducting any aid received from the federal government and any amount necessary to put the road in a safe and efficient condition.
 The government proposes to allow the owners 3 per cent. on the valuation so fixed during the first five years, 3 1/2 per cent. during the second five years, and 4 per cent. for the balance of the term of the lease.
 It is claimed that under these conditions the owners of the roads will be able to get no returns for the money expended on repairs or improvements, and that the rental allowed them is inadequate, as they could get more than four per cent. if their money was invested in other enterprises.

Painless Dentistry
 Teeth filled or extracted free of pain by the celebrated "HALE METHOD."
 All branches of dental work done in the most skillful manner.
