## Do You Know

that much inconvenience and needless suffering all over the body is caused by the Feet?

Feet that tire easily and ache; feet with weak ankles; feet that are tender and burn; feet that feel uncomfortable and heavy as lead; are sure signs of weak feet, and warning that you must beware of that terrible affliction—Flat-foot.

What you mistake for "Rheumatism" in the limbs and back—the real cause of your trouble is the liver. It is the liver that causes the feet to tire and ache. The liver is the source of the foot's energy and when it is weak the feet suffer. The liver is the source of the foot's energy and when it is weak the feet suffer.
