

## ST. JOHN SAILOR WHO WAS ON THE GOLIATH IS SAFE

After waiting anxiously for several days for news of his brother, who was a sailor on H. M. S. Goliath, which was sunk at the Dardanelles, F. J. Punter of the Canadian Bank of Commerce staff, called the British Admiralty for news. He was much gratified to receive a prompt reply stating that "Bertie" Punter was saved.

Mr. Punter was torpedoed tube captain and was confined under deck. His chance for escape when the Goliath was sunk was considered slight and much concern was felt for his safety.

A letter was also received from another brother by Mr. Punter who is a chief petty officer in the Portsmouth barracks.

Phillips, widow. On the petition of the first three, Amanda Barker and Alice M. Turner were appointed administrators. Real estate consisted of land in Saskatoon valued at \$2,000; personality, leasehold in Pond street, St. John, valued at \$2,400, other personality \$800. For special reason shown administration was granted without waiting the usual lapse of fourteen days from death. Kenneth A. Wilson is proctor.

#### Speedy Trials.

The deposition of the complainant was read, and the evidence of Policeman William A. Dale and Detective A. Worrell was heard. It was charged that White gave him \$10 to buy liquor and tobacco and he did not return. Hunter said he looked for White but could not find him.

## WAS PREVENTED FROM HELPING VICTIMS OF THE LUSITANIA

Boston, May 18.—According to a statement of the captain of the Leyland liner Etouan, his ship was prevented from rendering assistance to the passengers of the sinking Lusitania because of a warning that his vessel might also be torpedoed by the German submarine.

#### PATRIOTIC FUNDS.

Mayor Frink has received from the DeMonts Chapter, I.O.D.E., through their treasurer, Miss Helen Sidney Smith, the sum of \$50 for the 26th Battalion field kitchen fund.

His Worship has received also from H. Ronda, provincial manager of the Famous Players Film Service, a very generous offer of co-operation in the effort to secure funds for the field kitchens. The company supplies films to a large number of moving picture theatres in the province and is willing to make a special arrangement for entertainments in aid of this fund.

C. B. Allan has received contributions for the Canadian Patriotic Fund as follows: W. J. Ambrose, \$10; Mrs. W. J. Ambrose, \$5; monthly contributions for May.

"A Canadian Woman" living in Boston has sent Mayor Frink \$3 towards the cost of respirators for the troops when facing the poisonous gases.

His Worship has turned the amount over to Lady Tilley for the Red Cross Society, which is providing respirators.

WAR MAY STOP EMIGRATION.

That emigration to New Brunswick may be adversely affected by the possibility of European nations, now neutral, becoming involved in the war, was the report brought from Denmark yesterday by John Nelson, New Brunswick's immigration agent. Mr. Nelson brought a party of Danish immigrants destined for New Denmark, Victoria county. The party comprised two families of sturdy young men and women. Mr. Nelson had others ready to come but as they were of military age and fit for service they were not permitted to leave Denmark.

Opportunities in the eastern Canadian provinces are attracting attention in Denmark as well as other European countries, and it is Mr. Nelson's belief that with the restoration of normal conditions in Europe, there will be a large influx of new settlers to this province. Mr. Nelson's party will go to New Denmark this morning.

BOY SCOUTS PLAN OUTING.

Plans are being made for the encampment of the Lancaster Patrol, Boy Scouts, to be held at Raynes Beach, commencing Friday the 21st. The encampment will be held for four days and it is expected that a large number of the boys will be present. Indications point to a successful event and extra arrangements are being made by the boys themselves for the occasion.

Commissioners Meet Friday.

Commissioners Potts and Wigmore were still out of town yesterday, and the meeting of the city commissioners scheduled for the afternoon was postponed until later in the week. It will probably be held on Friday.

Just Apply This Paste  
And the Hairs Will Vanish

(Boudoir Secrets)

The judicious use of a delatone paste insures any woman a clear, hairless skin. To prepare the paste, mix a little of the powdered delatone with some water, then apply to the objectionable hairs for 2 or 3 minutes. When the paste is removed, and the skin washed, every trace of hair will have vanished. No pain attends the use of the delatone and it will not mar the most sensitive skin, but to insure results, see that you get real delatone.

## Says Thin People Can Increase Weight

Food Alone Produces Fat, Says Noted Expert—How to Turn Food into Healthy Flesh.

The reason that some people are chronically thin and under normal weight, says a noted authority, is because of a chronic lack of the fat-making elements in their food. The assimilating functions of their stomach and intestines are not working properly. Only a small portion of the food nourishment of their meals ever reaches their blood—just enough perhaps to keep life within the body—the rest passes out as waste. The problem of gaining weight and flesh depends entirely therefore on a natural stopping of this dangerous waste of fats and the correction and repair of the organs of assimilation.

For those who wish to gain healthy flesh and put on from ten to twenty pounds of weight a single Sargol tablet taken at meals for a few weeks will almost invariably produce the desired effect. Sargol does not of itself build flesh, but, swallowed with your food, it acts upon every mouthful you eat, first separating all the fats, oils, sugars, starches and other flesh-making materials from the food waste and then preparing all the nourishing elements in a form which the blood can readily accept and distribute all over the body. Sargol stops the leakage of fats, keeps all the flesh-making materials within the body, allows only the worthless waste to leave it. It further repairs the faulty organs of assimilation, enabling them gradually to properly perform their natural functions, so that the new food that the stomach "puts" Sargol is not an experiment. Thousands have used it and proved it. Its action is natural and harmless and it is seldom indeed that it cannot produce an increase from ten to twenty pounds of natural healthy flesh on any person who is underweight.

Leading druggists everywhere sell it with a positive guarantee of weight increase or money back as found in every package.
