MEN DRAFTING FROM CANADA DRAWN BY U. S.

Uncle Sam Drafts St. John Man, Eleven Other New Brunswickers and One from P. E. I., and N. S.

A number of New Brunswick men and Nova Scotians have been drafted by the United States army officials to serve in the forces of the United States. The fact that their names have been drawn by number does not necessarily mean that they will go to the front, as they have yet to pass the physical examination. A sufficient number in the United States have been drafted to ensure the complement called for.

The following are among those who have been drafted in the Bangor and Arnscoth County districts of Maine: Fred Albert Hazlett, Fredericton; Chester Thomas, Bloomfield, N. B.; George Frank Boutin, Fredericton; Albert V. Blake, Chatham, N. B.; Wm. Deault, Edmundston, N. B.; Charles Wesley Tucker, Lower Haysville, N. B.; Mitchell G. Bird, St. Marys, York Co., N. B.; John McManis, Middle Hackville, N. B.; Henry Cook, St. John, N. B.; Russell E. Hamilton, Raynham, N. B.; George Bulmer, Waterville, N. B.; George F. Adams, Larrivick, N. B.; Guy B. Smith, Upper Wicklow, N.B.; Bartlett McGarvey, New Brunswick; Alfred Pine, P. E. Island; Leon P. Rosebush, Nova Scotia.

These men are all living and employed in Maine and it may be that some of them will be transferred to Canadian battalions.

It is understood that a large number of former residents of the Maritime Provinces have been drafted in Boston and other points in Massachusetts by Uncle Sam. Those that are British subjects can, of course, serve in the Canadian forces if they are accepted.

MATTER OF HARBOR BRIDGE DISCUSSED BY COMMISSIONERS

Balance of Ferry Deficit is Voted at Council Meeting—Plans for Observance of War Anniversary.

At yesterday morning's session of the City Council a vote of \$18,509 was passed to cover the balance of the deficit on the operation of the ferry for the current year. This amount is in addition to the \$10,000 voted earlier in the year. Some discussion ensued when the matter was before the meeting. Commissioner Russell pointed out that the ferry was being operated as economically as possible, but the increased cost of fuel and other materials made it impossible to run the boat at a normal rate.

Commissioner McLellan in the course of the discussion pointed out that the amount of the deficit would go a long way towards the payment of the city's cost of a new harbor bridge. Another matter before the council was the observance of the war anniversary on August 4th next. Owing to the difficulty in securing a hall suitable for a banquet, the idea may be abandoned and the city's contribution may take the form of a cheque to the Veterans' building fund.

THE POLICE COURT.

In the police court yesterday Vincent Rogers was sent up for trial on the charge of breaking and entering the store of Albert Vincent, Brussels street.

Hiram Ramsey was fined \$8 or two months in jail for drunkenness; \$8 or two months in jail for kicking Policeman Estey while being arrested, and \$30 or ten months in jail for resisting the police. The court also intimated that some smart should be made to find out where he got the liquor.

Charles Kyffin was reported for having a ferocious dog which had bitten a boy on Mill street. The owner of the dog was instructed to make arrangements for its destruction.

A fine was allowed to stand against Ford W. Dykeman for driving a car without the front light burning on Friday night last.

Toney, Bond and Frank Boydland were told they were liable to a fine of \$20 each for fighting and were remanded to jail.

BASEBALL AT HAMPTON.

A fast game of baseball was played at Hampton on Saturday afternoon between the Hampton Athletics and the St. John Blues, and, after a hotly contested fight, the Hampton team won by the score of 10 to 6. The Athletic battery consisted of Frossee and Sharpe and they were largely responsible for their team coming to the front. Some brilliant plays were made throughout the game by the Athletics, including two home runs in the second inning and one homer in the third. The Hampton team has played seven games so far and in each game it has scored over the opposing team.

FEAR SECOND REVOLUTION IN RUSSIA

Petrograd Apprehensive of Serious Counter Movement, Although City Itself Quieter

Petrograd, July 23.—There are indications that the workmen and soldiers' council, after the events of the past week and all circumstances connected therewith, are apprehensive of a counter revolution. The central committee has issued a manifesto calling local organizations of the revolutionary democracy and army to be ready at any moment to rally round their political centres, namely the councils of the workmen and soldiers.

Petrograd Quieter. London, July 23.—Despatches received by the Russian embassy here state that the rising in Petrograd may be considered as definitely suppressed. The regiments which participated in the disturbances are being disarmed and disbanded, these actions report, and the city is patrolled by troops. Isolated cases of shooting at windows have occurred. It is added, while drastic measures are being taken to prevent any further insubordination or criminal agitation.
