

The Session would remind all such, and particularly members, that they are under solemn obligations to the church and to Christ to do their part in supporting the material interests of the cause, and, that to give of their means when done in the right spirit is a privilege, an act of worship and a means of grace.

The Session, after consultation with the Board of Managers, organized a Fund of their own to be known as the Session Fund. The treasurers report will be found on another page.

After due notice and consideration the following resolution was unanimously adopted at a meeting of session October 12th.

"In view of the importance of the Sabbath School in the teaching and training of the young for the fellowship and service of the church of Christ, and, that many children receive little or no christian instruction in their homes, and in view of the fact that the future welfare and success of the Lords cause is closely identified with the work at present being done in the Sabbath School. Therefore be it resolved:

1 That this session henceforth take a deeper and more lively interest in this department of christian work, 1st, by encouraging the teachers and officers by our prayers and sympathy. 2ndly. By seeing that all the young in our several districts, as far as possible, attend Sabbath School. 3rdly. By seeking to interest parents in the spiritual and moral welfare of
