The Empire Tobacco Company offered \$500 in prizes for the window most prettily decorated at Christmas by the retail cigar stores of Canada. George Taylor had his window very attractively fixed up. His wheel of fire was both attractive and unique. He had a photograph taken and competed for the prize. Mr. Taylor was successful in carrying off the sixth prize. When it is considered that all Canada was in competition, Mr. Taylor did exceptionally well.

THE MARKET REPORTS.

Live Stock Improving—Grain is Lower—The Latest Quotations.

Friday Evening, Jan. 30.

Toronto St. Lawrence Market.

Trade continued rather slow at St. Lawrence Market to-day. Receipts were light, owing to the continued bad state of the roads. The total grain receipts amounted to 500 bushels.

Wheat—Is about steady. One hundred bushels of white sold at 72c per bushel.

Oats—Prices are 1/2c easier for the lower grades. Heavy fall's offerings were disposed of at 35c per bushel.

Barley—Prices are easier. To-day's receipts were of good quality, 100 bushels selling at 47c per bushel.

Rye—Continues steady at 52c per bushel.

Dressed Hogs—Trade continues quiet. To-day's receipts were of good quality, 100 head selling at \$8.50 to \$8.75 per cwt for lights and \$1.50 to \$1.75 for heavies.

Butcher's stock—Is about steady. To-day's receipts were of good quality, 100 head selling at \$12 to \$14 per head, and those for mixed at \$10 to \$12 per head.

Straw—There was no sale on the market. Quotations are steady at \$8 to \$10 per ton.

Toronto Live Stock.

Trade at the Toronto Cattle Market this morning was fairly good, showing a slight improvement over the previous days of the week. The run of stock was not large.

Buyers and sellers were in the market, but the market did not move very much. The general trade outlook is generally satisfactory.

The total run was 47 cars, including 504 cattle, 287 sheep and lambs, 1,612 hogs and 12 calves.

Export Cattle—The day's offerings were rather light, and the demand, which was fairly brisk, absorbed everything in a short time. This was most especially so in the case of rough to medium grade cattle, for which prices are fairly cheap.

Exporters for this kind of stuff, and there was hardly enough on the market to supply the demand. The dealer class of cattle are still too dear, and consequently to-day's demand was not so brisk as in the previous grades. There is no quotable change in prices, but the feeling to-day was a trifle easier. The quality of the stuff was not up to the average. About \$4.50 to \$5 was paid for good stock, while \$3.25 was not up to the average.

Butcher's Cattle—Trade in butcher cattle was fairly active, the demand was brisker than yesterday, and the offerings were disposed of. The stuff offered was not of very high quality, but seemed to satisfy most of the buyers. About \$3.50 was paid for lights and \$4.75 for heavy, which were the average prices for this kind of stuff.

Calves—Trade was fairly good. Receipts were light, and everything was sold early. Prices were about \$2 to \$10 each, and 45c to 60c per lb.

Sheep and Lambs—The market was steady at yesterday's advance. The run was fairly large and trade was good, everything being sold. The prospects are for a steady market.

Hogs—The run was fairly heavy, and prices were steady, with an easier tendency.
