Forestry Telephones

Bush fires cost millions annually, but the loss is being reduced yearly by stringent regulations and increased employment of Rangers. The Ranger's greatest aid in effective fire fighting is

A Bush Telephone System, which pays for itself by simplifying logging and driving operations and yet is

Always available in emergencies.

We have perfected **special apparatus** for installation in **permanent** camps or look-out stations and also for portable telephones which the Rangers carry with them on their rounds, with which they can make instantaneous connections to the nearest forestry telephone line.
