We do not want it to cost you one single penny unless the 30-day treatment benefits you, unless it proves Vite-Ore the remedy for your ills, as it has proven the remedy for so many thousands of others. We don't want a penny of your hard-earned money unless you are glad, willing, happy and proud to send it to us for what Vite-Ore accomplishes for you. Then we want our pay and deserve it, but not otherwise! We take absolutely all of the risk. We leave it entirely for you to decide, to say that we have earned our pay or that we do not deserve it. RHEUMATISM.

Cured By One Month's Treatment.

UPPER MERIDON, ONT.—Owing to exposure during severe weather in winter, I contracted Rheumatism. I tried the various treatments and

month's treatment was finished the Rheumatism was entirely gone. I have not felt the slightest symptom of it since and never felt better in my life. I cannot recommend Vite-Ore too highly for what it has done for me. JNO. SHEA.

Indigestion, General Debility and Heart Weakness.

BRISTOL, QUEBEC.—I was terribly troubled with Indigestion, General Debility and Weakness of the Heart and was in such a condition that I walked half a mile I would have to lie down and rest. I had no appetite for food, and had a fearful pain in my stomach nearly all the time. I tried three or four different Doctors but their medicine would only give relief for a day or two and then my trouble would be as bad as ever. Vite-Ore was called to my attention by the advertisement offering it on thirty days' trial. I sent for a package and commenced its use. Before half the package was used I began to improve. I have used two packages of Vite-Ore and am now completely cured. I feel like a new man and can now do a good day's work although I am in my 60th year. ALONZO DRAFER.

From the Earth's Veins to Your Veins.

Vite-Ore is an ore-substance—a combination of minerals—mined from the ground, from the earth's veins. It contains iron, sulphur and magnesium, three properties most essential for the retention of health in the human system, and one package of the ore, mixed with a quart of water, equals in medicinal strength and curative value nearly 800 gallons of the powerful mineral waters of the globe, drank fresh at the springs. The mineral properties which give to the waters of the world's noted healing springs their curative virtue, come from the rock or mineral ore through which water forces its way to its outlet, only a very small proportion of the medicinal power in the ore being absorbed by the liquid. Vite-Ore is a combination of these medicine-bearing minerals, powdered and pulverized, requiring only the addition of water to make a most remarkable healing and curing draught. Thousands have pronounced it the marvel of the century for curing such diseases as Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Anemia, Dropsy, Catarrh of Any Part, Liver, Kidney & Bladder Troubles, Stomach & Female Disorders, Nervous Prostration, General Debility.

IF you are sick or suffering from any of the above named disorders, in all of which V.-O. is of special value, don't let another day go by before you send for a trial package.

It Is Different

from anything ever before offered, from other treatments you have used, as is pure milk from chalk and water or the brilliant sunlight from a tallow candle. It flows like life through your veins, pure as it came from the veins of the earth, and acts in a different manner, cures in a different way. It is different from all others and can be differently offered to those in need—on trial, the user to be the judge—a way sellers of medicine dare not duplicate or copy. Send for a dollar package today and test it at our risk. Do not delay, but do it today.

FATHER, MOTHER AND SON

All Cured of Serious Ailments
And All Permanently
Cured.

INDIANAPOLIS, IND.—Vite-Ore has done much for myself and family.

My husband has been afflicted with Catarrh for years and in 1900 it settled in his Stomach and nothing would help him. His Stomach would hardly stand anything. Whenever he tried to eat it caused coughing spells, at which times he vomited blood, and his death was expected at almost any hour. It was then my sister visited me. She had used V.-O. with good results and had come with her, which she gave him to try. My husband got better almost from the first dose, and was out of danger in a short time. We sent for more Vite-Ore and he kept on taking it until he got completely well, and he has remained so ever since, although now sixty-seven years of age.

About that time my son took very sick and the doctors pronounced it Quick Consumption and said he could not get well. We gave him Vite-Ore and he grew well and hearty. He was then twenty-six years of age and now is past thirty-two, is married and has two beautiful and healthy children.

I, personally, suffered for many years with Female Trouble until doctors told me that I had to have an operation as the only thing that could give me relief, and I consented. This was over ten years ago and it left me very weak and but very little benefited. It was the Vite-Ore which has given me strength and now blood so that I have since been able to attend to my household. I will be sixty-six years old in May, but don't feel that old; I go about my work and duties now much better than I did twenty years ago. All of this we owe to Vite-Ore. Mrs. EMMA BACON, 522 So. Illinois St.
