

HARDCORE SOFTWARE

Stop fooling around. It's time to get hardcore about software. With Microsoft.

We'll give you all the resources you want. Tens of millions in R&D funding. Along with one of the most elementary tools for thinking — a door, which leads to your own private office. All backed by management that truly *does* speak your language, because they probably helped write it.

We're serious about software design. If you are too, then apply right now for one of these positions.

Software Design Engineers

We're working on everything from object-oriented methodology, compilers, operating systems, and networking to sophisticated graphics, powerful applications software and more. In fact, we're working on some truly visionary ideas we can't even reveal yet. You could be too, if you have programming experience and a background that includes micro's, "C" or Pascal, 8086, 68000, UNIX⁺ / XENIX[®], Macintosh[®] Toolbox, or MS-DOS[®].

Program Managers

Instant responsibility. You select the features, you shape the product, you design the user interface for new generations of software. Guide product development from programming through documentation and testing. Keep your product at the forefront of technology by knowing your competition and product trends.

There are full-time and summer opportunities to work with our teams in applications, systems, languages, or CD-ROM. If you're about to graduate or are working towards a B.S. or B.A. in computer science, math, physics, or related field, we want to talk to you.

Microsoft offers you an opportunity to live and work where the quality of life is high and the cost of living is low — the beautiful Pacific Northwest. Along with amenities such as health club membership, workout facilities and parcourse, plus an array of benefits.

Begin by sending your resume TODAY to College Relations, Dept. DP, MICROSOFT CORPORATION, 16011 NE 36th Way, Box 97017, Redmond, WA 98073-9717. No phone calls, please.

We are an equal opportunity employer.
