We're looking for people who look at this glass and say:

"There's gotta be other glasses of water."

We need people capable of going beyond half-full or half-empty thinking. People who see subtleties. Who are quite frankly bored by easy answers and off-the-shelf solutions.

People who are constantly challenging their own thinking and are thirsty for new ideas and knowledge.

You'll have a degree from a top school. Getting a job won't really be an issue. The question is: which job? Which industry?

You don't want to get locked into one area and then discover three to five years from now that you don't like it. By then you've invested too much.

Andersen Consulting offers you the chance to work on a variety of projects—with clients in a wide range of industries.

We are the leader in helping organizations apply information technology to their business advantage. Every hour of every business day, we implement a solution to help one of our more than 5,000 clients worldwide.

What makes that possible is the quality of our people. And the quality of our training. We're known for both.

Because business and technology are ever-changing, we see training as a continuing process. And our \$123-million Center for

Andersen Consulting is an equal opportunity employer.

Professional Education in St. Charles, Illinois, is just one measure of our commitment. We train you for a career—not just a job.

Are you the kind of person we're talking about? The kind of person with an unquenchable desire for challenge and professional growth?

If so, come talk to us. And find out more about a career with Andersen Consulting.

Where we go from here.™
