**YOUR ONE STOP SHOPPING CENTRE FOR ALL YOUR CHRISTMAS NEEDS!**

### A NEW WAY TO SWING THE PHILIPS CARRY PLAYER

Philips started it all by inventing the Cassette system. They haven't stopped yet. Now you can have the cassette idea in a compact, low cost, playback unit called the Carry Player. It plays pre-recorded Musicassettes. It's portable and cordless operating on six ordinary flash-light batteries. It's the new way to swing.
