Russell ready-to-bake cookies -warm from the oven

Russell cookies make happy times. Happy times for kids who love their warm-from-the-oven taste. Happy times for Dad who loves the aroma of fresh baking (it reminds him of when he was a kid). Happy times for Mom who gets all the satisfaction of home

baking with perfect results every time. Russell ready-to-bake cookies take just minutes from freezer to table - with no mixing, no slicing, no fuss. They come in four favourite varieties: chocolate chip, peanut butter, shortbread, and oatmeal raisin. The origi-

nal recipes include all the traditional ingredients, with added butter, to guarantee the honest-to-goodness flavour of homemade cookies.
