

^{Proposed}
Probable Criticisms of Monitors & Alternatives ~~plans~~

ample opportunity for consideration

objections based on self-interest of parties, rather than public grounds
too far - compromise

More also fear investigation

① largest objection - now subject of Reg. Council
in corporate requires returns
Manufacture, a security - also food & clothing
banking business

② Corporations have found adv. to reveal publicly
US. Still

③ Business Ethics demand it for consumers

④ Board, under Independent Disputes

⑤ ^{Properly conducted business}
Give them to fear of investigation - public confidence
Gleason, Stalwart

Alternatives ^{each} ~~plans~~ (critic & counter)

~~plans~~

① Govt. app. special agent or agents
and Boston Trans. Corp.
Hamilton Speculators

② List of officials necessary

③ Same plan to estab. home files of complaint ^{business}

④ in committee to parties at a distance communicating
- complaints & maintaining list

⑤ Object of '97 = greater force of individual
not considered generally
need of Govt. to get information

⑥ Permanent Commission - more to recommend the
Recent measure may result necessary for
not apparent there yet
& US Govt. - ^{House of Representatives}
Federal in comparison
