Hon. Senator Meighen,  
House of Commons,  
Ottawa, Ont.

Dear Mr. Meighen,

Once again I am going to ask you to see if you can  
do anything to help me out.

I see by the papers that the Government have set  
aside ninety million dollars for the Canadian Farm Loans Board, and I  
understand they are going to re-organize the Board. I thought that with  
this vast amount of money to be distributed among the farmers in loans  
that they might need a man who is conversant with farming conditions in  
Manitoba. As you know, I know farm values, and also the value of all  
classes of livestock, as well as most of the people in the West.

I am also writing to Col. Harry Mullins, M.P. for  
Marquette; Barney Stitt, M.P. for The Pas. I was also going to write to  
Mr. Burns, M.P. for Portage la Prairie, but I understand he is still in  
the hospital, and I do not want to bother him. If you happen to see him  
you might kindly convey to him my best wishes for his speedy recovery.  
Dr. R. M. Simpson has written to Mr. Bowman, the Speaker of the House,  
on my behalf. If you can do anything in this matter it will be greatly  
appreciated by me.

Yours respectfully,

*Wm. McCallum*

P.S. Mr. Jim McCallum, a lawyer here, whom I presume you know very well,  
has written to Harold Daly to get a line-up on the legislation in connec-  
tion with the Canadian Farm Loans Board.

*Wm.*
