

DU 2301

OTTAWA, 6 May, 1932.

My dear Doctor,

I am very sorry to receive your letter of the 4th instant. You are quite mistaken, I do not forget.

When you sent in your card I simply could not leave my seat in the Senate because of what might come up at any moment. I sent a page out but I do not know whether he got you or not.

It is likely I could see you almost any afternoon, but I can never be quite certain. No one can when leading the House. I would gladly see you any forenoon if you will telephone me or my secretary.

Yours very truly,

Arthur Meighen.
